Revilla urges colleagues to expedite Magna Carta for Barangays

SEN. BONG REVILLA

Sen. Ramon Bong Revilla, Jr. reiterated Monday morning the importance of passing the Magna Carta for Barangay Workers during the public hearing of the Senate Committee on Local Government.

The lawmaker filed a bill (S. No. 892) seeking the implementation of a Magna Carta for Barangays to help provide a decent salary increase and additional benefits for barangay officials and personnel.

"Ang layunin naman natin dito, kung paano tayo makakatulong sa barangay. Kung ano talaga yung mapag-usapan natin at kung ano talaga yung available funds na makakatulong sa kanila, yun ang pagtutungan nating maipasa," Bong Revilla said.

Representatives from the Department of Budget and Management (DBM) pointed out that the budget for the provision of salary increase and additional benefits for barangay officials and workers can be derived from the Internal Revenue Allotment (IRA) of their respective local government units.

The veteran lawmaker also agreed with the suggestion that the Department of the Interior and Local Government (DILG) should not only orient barangay officials of their duties and responsibilities, being the only government unit mandated

DOT assures continuous support for farm tourism

SILANG, Cavite -- The newly appointed director of the Department of Tourism (DOT) 4-A (Calabarzon) on Thursday assured the agency's support for the farm tourism industry.

In his message at the launch of the updated version of the coffee table book "Agriculturally Awesome: A

Regional Farm Tourism Travel Guide", DOT 4-A Director Joseph Francisco Ortega said farm tourism is an opportunity for the local community to be involved in, as farmers could benefit from tourism, which is a driver of economic growth.

"Local farmers and farm workers now embark on a direction that is sustainable,

eco-friendly, and beneficial to all," Ortega said.

In the past, the DOT subjected farm tourism sites to various industry skills training in support of the manpower and service standard needs of agri-tourism sites and farm enterprises in the region.

Ortega said the regional tourism office has

completed the formulation of the three-year Regional Farm Tourism Strategic Action Plan.

"This steers us into a vibrant direction, where interventions relevant to infrastructure, product and market development will catalyze inclusive growth," he said.

To promote global cooperation in strengthening effective drug education, the ASEAN Training Center for Preventive Drug Education (ATCPDE) will host the ASEAN Conference on Global Prevention Practices and Interventions from 27 to 29 November 2019 at the SEAMEO Innotech.

As part of its 40th founding anniversary celebration with a theme "Drug Use Prevention in Various Contexts: Learnings and Possibilities," the conference aims to disseminate relevant themes about the international standards on drug use prevention from the United Nations Office on Drugs and Crime (UNODC), give information on current trends about prevention science, and to provide a platform for ASEAN member states to share best practices for intervention.

With support from

Dangerous Drugs Board and Department of Foreign Affairs, future steps in ensuring and preventing drug abuse will be discussed during the event.

The three-day conference will be participated by ASEAN member states international and local prevention experts, government employees, academe drug education coordinators and practitioners to share insights and exchange ideas

on enhancing the practices and evidence-based interventions.

Conference program involves discussion on the substance use prevention policies and programs in the ASEAN, ASEAN Member states' best practices, workplace-based prevention intervention UNODC, and presentation of IEC Materials in preventive drug education.

ATCPDE coordinates with respective organizations in the field of preventive education

and develops effective programs as intends to foster cooperation on stakeholders and concerned agencies in promoting this endeavor.

SEN NANCY: BGY SURVEILLANCE, MAPPING NECESSARY TO STOP SPREAD OF POLIO STRAIN

...says DOH also needs to track high-risk communities to prevent outbreak

Sen. Nancy Binay today called on barangay health workers to take an active part in the battle to wipe-out polio in the community level.

“Community surveillance is essential para agad natin matulungan ang DOH na ma-identify ang mga high-risk areas na maaaring pangalangan ng polio virus. The first link of the surveillance chain are the barangay health centers, and for them to make sure that expanded vaccinations are given for other diseases, ranging from measles and rubella to meningitis, and that no children are missed,” Binay said.

Following the resurgence of paralytic polio cases in the Philippines after being declared polio-free for 19 years, Binay added that too much of disinformation about preventive vaccination created a public nuisance, not withstanding the high degree of distrust from parents which was among the reasons why polio reemerged.

“We’ve triumphed in being polio-free for 19 years, until everything about vaccination went wrong. Dahil na rin disinformation and distorted presentations, the resistance of parents to have their children receive vaccine shots is very much overwhelming. DOH tried hard to increase the public’s vaccine confidence, but we’re like back to year 2000,” the senator pointed out.

According to Binay, the first step to stopping transmission and preventing possible polio outbreak is to map and survey high-risk communities where health threats are occurring.

“Malaki ang ginagampanang role ng mga barangay health workers. LGUs can help in increasing DOH’s surveillance

PTCAO’S CALYE CULINARYA IN ITS 2ND YEAR

The Provincial Tourism and Cultural Affairs Office (PTCAO) continue to intensify the promotion of Cavite as an emerging food destination in the south of Luzon highlighting its rich historic culinary heritage. In celebration of the Tourism Month, PTCAO launched Calye Culinarya 2019 which was participated by twenty-four culinary students from eight schools consist of Brookfield College, Cavite State University-Main Campus (CVSU), Emilio Aguinaldo College (EAC), Imus Institute of Science and Technology, International School for Hotel and Restaurant Management (ISHRM), Lyceum of the Philippines University-Cavite (LPU), St. Gregory College and University of Perpetual Help System Dalta- Molino (UPHSD).

To unleash the youth’s artistry and creativity in preparing and cooking local dishes, participants were asked to revolutionize traditional cuisines and delicacies using local ingredients for the appetizer, main course and dessert in about 2.5 hours.

The competition was won by the ISHRM team of Ms. Kyle Jermaine S. Samonte, Mr. Clyde Irvin T. Dimayuga and Mr.

John Vher Carlo R. Torrero who received the grand prize of P 10, 000.00 for their winning dishes “Okoy”, “Adobong Lamang Dagat na Dilaw Fettuccine” and “Carioca”. The 1st runner-up were Mr. Angelo D. Hermoso, Ms. Anne Zhiel R. Pamat and Mr. Diether T. Dizon of CVSU-Main. Meanwhile, Mr. Harold Jerome Ivan G. Cruz, Mr. Ahron Rhamzes A. Tamayo and Mr. Marvin Leon D. Zabala of LPU-Cavite, and Mr. Ashley R. Vinas, Mr. Joshua A. Labine and Mr. Justine Paul E. Fabrero of UPHSD-Molino placed as the 2nd and 3rd runners-up, respectively. The culinary competition was judged by Chef Christopher Carangian, Chef Matthew Pacumio, Chef Michelle Ortega- Arce and Chef Marie Cecilia Brazos.

PTCAO Head Ms. Elinia Imelda Rozelle S. Sangalang delivered words of encouragement motivating the parkaters to embrace Cavite’s own culture, continue to innovate and promote the local cuisines of the province.

Public school teachers to receive World Teachers’ Day Incentive Benefit

As a show of gratitude for the hard work and commitment to develop and nurture the country’s future leaders and nation builders, the Department of Education (DepEd) shall grant the World Teachers’ Day Incentive Benefit (WTDIB) to all public school teachers who are in service at the Department as of September 30, 2019.

The WTDIB, in the amount of P1,000, shall be given to each entitled

public school teacher not earlier than October 5 of this year. The incentive was made possible through DepEd Special Provision No. 12 under Republic Act No. 11260 (General Appropriations Act of Fiscal Year 2019, or “An Act Appropriating Funds for the Operation of the Government of the Republic of the Philippines from January One to December Thirty-One, Two Thousand Nineteen and for Other Purposes).

Not eligible for the

WTDIB are public school teachers who fall under any of the following circumstances: a. Those who are on absence without leaver (AWOL) as of September 30, 2019; b. Those who are no longer in service as of September 30, 2019; c. Those who are found guilty of any offense in connection with their work from September 30, 2018 to September 30, 2019; and d. Those who will be hired after September 30, 2019.

The grant of

WTDIB is part DepEd’s commitment to continuously seek, develop, and implement ways to improve the welfare of its personnel, especially teachers for their invaluable work and dedication to the profession.

This effort is pursuant to DepEd Order No. 26, series 2019, or “Guidelines on the Grant of World Teachers’ Day Incentive Benefit,” which can be accessed online at https://www.deped.gov.ph

DENR seeks P5.15-B for National Greening Program

MANILA – The Department of Environment and Natural Resources (DENR) aims to secure a budget of PHP5.15 billion for the 2020 implementation of the National Greening Program (NGP), the government’s most ambitious reforestation bid so far.

According to a DENR statement, the target sum is the biggest in the agency’s proposed total budget of PHP25.49 billion for next year.

The 2020 budget message to Congress cited the target NGP budget as covering forestry rehabilitation activities around the country.

Those activities are planting over 150,000 hectares of forests and producing almost 167 million seedlings, as well as maintaining 318,871 hectares of forests and watersheds.

DENR launched NGP in 2011 to reforest some 1.5 million hectares of unproductive, denuded, and degraded forestland around the country by 2016.

In 2015, Malacañang issued EO 193, which extended NGP’s implementation period from 2016 to 2028 so that the program can cover the country’s estimated 7.1 million hectares of remaining unproductive, denuded, and degraded forestland.

NGP aims to promote the country’s self-sufficiency in

wood and wood products, poverty alleviation, food and economic security as well as environmental stability.

Official DENR data showed that during the 2011-2018 period, NGP greened nearly 2 million hectares of unproductive, denuded, and degraded forestland nationwide using some 1.7 billion seedlings.

For 2019, the budget department said DENR has a total budget of PHP22.9 billion to address various environmental challenges in the country.

NGP’s 2019 budget is PHP2.6 billion for planting 985,000 seedlings in 900 hectares around the Philippines, as well as for maintaining and protecting 353,886 hectares of planted areas, the budget department continued.

The DENR said House Majority Leader and Leyte 1st District Rep. Martin Romualdez is supporting the agency’s proposed 2020 budget.

He lauded DENR Secretary Roy Cimatu for being the best environment chief so far, the agency noted.

Albay (1st District) Rep. Edcel Lagman also vowed support for the 2020 budget the DENR is seeking “upon assurance from Sec. Cimatu on the protection of the rights of upland dwellers in enhanced NGP’s implementation,” the agency added. (PNA)

PGC supports CavSU’s BS-Environmental Science course accreditation

INDANG, Cavite -The Provincial Government of Cavite (PGC) thru the Provincial Government Environment and Natural Resources Office (PG-ENRO) expressed its support for the accreditation of B.S. in Environmental Science Course Level III – Phase 2 in the Department of Forestry and Environmental Science of the College of Agriculture, Food, Environment and Natural Resources (DFES-CAFENR) of Cavite State University (CavSU).

According to the Provincial Information and Community Affairs Department (PICAD), the accreditation is timely and in line with the rising need for more technical

knowledge and in-depth understanding for the care and concern of the environment.

Prof. Noel A. Sedigo, the Dean of CVSU-T3 (Tanza, Trece Martires and Ternate) Campuses and former Chairman of DFES presented the accreditation for the B.S. in Environmental Science Course Level III – Phase 2 during the Accreditation Survey Visit by a team from AACUP held at the International Convention Center, CVSU Main Campus.

As a result of the survey conducted by the AACUP team composed of Dr. Francis N. Baleta, PartidoSU Team Leader and Prof. Juanita Q. Rabina, UNP Lead Accreditor, the

accreditation of the course was approved.

Meanwhile, PG-ENRO Anabelle L. Cayabyab spoke about the partnerships forged between the PGC and CVSU such as the Cavite Greening Program, establishment of the Cavite

Water Testing Laboratory and holding of the Cavite Water Summit 2015.

In addition, Cayabyab said BSES graduates from CVSU was accommodated by the offices of PGC. (Ruel Francisco, PIA-Cavite/with reports from PICAD)

The Calabarzon region is recognized as having the most number of DOT-accredited farm tourism sites, numbering 30 to date, and has served as the benchmark and the standard of excellence for farm tourism in the country.

The farm tourism sites add up to the leisure possibilities in the region with its diverse farm offerings – from organic farming, health and wellness, and even distinct culinary dishes served from farm to table.

But more than just a leisure destination, the farms also serve as learning sites for students and professionals who want to grow their own farm or enter into the farm business.

The coffee table book is a publication of the Department of Agriculture - Agricultural Training Institute in the region. It is a merged version of Volumes 1 and 2, and contains the list of all DOT-accredited farm sites as of June 2019.

Added features to the book are the region's famous delicacies and agri-related festivals.

DOH & ROTARY INTERNATIONAL INK AGREEMENT TO END POLIO NOW

**Health Secretary
Francisco Duque III**

The Department of Health (DOH) today signed a Memorandum of Agreement (MOA) with Rotary International's 10 Districts to heighten polio awareness and vaccination campaign in light of the reemergence of poliomyelitis in the country.

Polio eradication is one of Rotary's longest standing and most significant efforts. The Rotary Districts will provide support through fundraising, advocacy and volunteer recruitment, as DOH intensifies its health promotion activities focusing on sanitation and hygiene, and prepares

for a rapid response polio vaccination campaign.

In 2018, 12 out of the 17 regions in the country were identified as high-risk areas for polio reemergence. The National Capital Region is one of the identified regions with a

high-risk of re-infection due to a number of factors including low polio vaccination coverage coupled with poor surveillance of polio symptoms, ongoing practice of open defecation, and poor sanitary practices in communities. OPV coverage at the National Capital Region has been steadily decreasing from 77.25% in 2016 to 23.45% in the second quarter of 2019.

To mitigate the risk, DOH – Metro Manila Center

for Health Development will conduct three (3) rounds of supplemental Oral Polio Immunization to ensure protection against polio among children under 5 years old.

DOH will also strengthen surveillance of children below five years old
