CITY OF IMUS, Cavite (PIA) --The local government of Imus recently devised an online shopping program to make shopping easy and safe for Imuseños while under enhance community quarantine.

Dubbed as "Online Pamilihan," the program is a door-to-door delivery service of basic prime commodities and other goods for everyday use.

To order, Imus residents must fill-up the order form with the following data: Full Name, Address, Landmark and Mode of Payment (e.g. BDO/PayMaya), Contact Number then list down the orders in 'Mga Order' portion. After filling up the order form, send it to YES Coop Facebook Page.

After ordering, payments are made thru online financial transactions like BDO Online Transfer, PayMaya Money Transfer, GCash, and BPI Online Transfer.

The program not only made shopping task easy but also safe. No need for residents to leave the comfort of their house as ordered items will be delivered right at their doorsteps. (Ruel Francisco, PIA-Cavite with reports from official Facebook page of Mayor Emmanuel Maliksi)

HOME QUARANTINE PASS LIMITS MOVEMENT OF RESIDENTS

TRECE MARTIRES CITY, Cavite-(PIA) -- Several cities and municipalities in the province have been placed on the extreme enhanced community quarantine (EECQ) due to reports of increasing number of coronavirus disease (COVID)-19 confirmed cases.

To effectively implement the EECQ, every household in a barangay was issued with only one home quarantine pass (HQP) with corresponding control number.

HQPs are non-transferrable. It allows the passage of only one household member in or out of the barangay. Senior citizens considered as high risk and minors are not qualified for this authorization.

The HQPs use is limited for the purchase of essentials

like food in public markets, groceries, and supermarkets, buy medicines or prescription drugs from drugstores and pharmacies, transact with banks or other financial establishments, and to seek treatment in hospitals or medical and dental clinics.

Entry to these places is also warranted by the presentation of HQPs only within window hours specified to go out of the barangay premises.

Quarantine Passes may vary according to size, color or design for each city or municipality but its main objective is one and the same, to monitor and limit the movement of the people to contain the further spread of COVID-19. ITALIAN PRIEST WHO DIED TO COVID-19 WAS 'FATHER' TO OFWS

One of the Italian priests who died of coronavirus was a "father" to the overseas Filipino workers (OFWs) in Italy, a Catholic bishop said.

Bishop Ruperto Santos expressed sympathy over the death of Fr. Giancarlo Quadri, 75, who was instrumental in the establishment of Filipino chaplaincies in northern Italy.

"It is with deep

sorrow and great loss when I learned of the passing of Don Giancarlo Quadri because of Covid-19," Santos said.

The prelate met Quadri when he was still in Rome as rector of Pontificio Collegio Filippino (PCF) and, at the same time, national coordinator for the pastoral care of Filipino migrants in Italy.

Quadri was the head of the pastoral care of migrants in the Archdiocese of Milan,

the second-largest city in Italy.

"Together, we have established Filipino chaplaincies in Milan, then in Como and Bergamo," Santos said.

"He was a friend and a father to our overseas Filipino workers (OFWs), working hard spiritually and economically for us," the prelate said.

Quadri dedicated his priesthood helping migrants with different religions and cul-

Extend price
freeze on LPG,
kerosene amid
COVID-19 --
Gatchalian

With the enhanced community quarantine expected to go beyond April, Senator Win Gatchalian is calling on the government to extend the price freeze on Liquefied Petroleum Gas (LPG) which households commonly use for their day-to-day needs.

Gatchalian made the call as the prevailing price freeze on LPG and Kerosene products is set to lapse on March 31. The Department of Energy (DOE) earlier imposed a 15-day price freeze on LPG and Kerosene products after President Rodrigo Duterte declared a State of Calamity in the whole Philippines due to the coronavirus disease (COVID-19).

The Senate Committee on Energy chairman said imposing a 15-day price freeze on LPG does not make any sense since the price determination of the socially-sensitive product is conducted on a monthly basis.

Given the prevailing health crisis situation in the country, Gatchalian urges the DOE to recommend to President Rodrigo Duterte to extend the price freeze while the enhanced community quarantine is in effect. Gatchalian cited DOE's Department Circular 2016-08-0013 stating that prices of LPG and Kerosene will become normal after the 15-day price freeze, unless a mandated price freeze is imposed by the President, upon the recommendation of the DOE.

The Department of Trade and Industry (DTI) has earlier announced a nationwide price freeze on all basic goods and necessities for 60 days, unless lifted by the President. The DTI has emphasized that household LPG and kerosene are the basic goods under the DOE. In the commercial sector, LPG consumption rose at a rapid pace of 10.4% annually from 2007 to 2017, as reported by the DOE.

"The DOE should extend the prevailing price freeze until the situation has normalized to ensure that all Filipinos are protected from any price manipulation during the entire enhanced community quarantine period," Gatchalian said.

PhilHealth To All Health Workers:
We've Got Your Back!...and all other
Covid 19 patients as well

The Philippine Health Insurance Corporation or PhilHealth, in line with the desire of President Rodrigo Roa Duterte to protect the welfare and uphold the morale of all health workers both in public and private health facilities, wishes to announce that it will shoulder all medical expenses of all health workers should they fall ill during the period of the Covid 19 pandemic.

This assurance is made in light of the recent Law passed by Congress and signed by the President known as the Bayanihan to Heal As One Act or R. A. 11469.

Health care workers shall include those volunteers who have been asked to augment or reinforce the health workforce and those non-medical personnel necessary for the operation of a health facility like janitors, security guards and maintenance personnel.

PhilHealth reiterates that it is in the midst of releasing P30 billion worth of financial assistance to health facilities through its Interim Reimbursement Mechanism (IRM) to help hospitals respond to the Covid 19 threat. This will include even those hospitals and clinics with existing issues or under sanctions with the national health insurer. Hospitals wishing to use this facility are advised to contact the PhilHealth personnel assigned to their area and accomplish a memorandum of agreement reflecting the amount applied for. This procedure should be completed in not more than five working days.

As of March 25, 2020 PhilHealth has paid out a total of P 1.617 billion under the IRM program. Likewise, for the month of March 2020 it has paid out P 6.856 billion as part of its regular benefits payment and P 2.96 billion under its accelerated Return To Hospital (RTH) program.

PhilHealth stands solidly behind all health workers and all other front liners leading the fight against the Covid 19 pandemic. (END)

DSWD READIES AID FOR VULNERABLE
SECTORS AFFECTED BY COVID-19 CRISIS

The Department of Social Welfare and Development (DSWD) will provide social amelioration measures amounting to P5,000 to P8,000 for two months to families belonging to vulnerable sectors who have been affected by the community quarantine amid the COVID-19 crisis as mandated by Republic Act (RA) 11469 or the "Bayanihan to Heal as One Act."

The Emergency Subsidy Program includes the DSWD's provision of food and non-food items (FNFI) and financial assistance through the Assistance to Individuals in Crisis Situation (AICS) as well as those provided by other agencies, provided that the benefits received by each household does not exceed the prescribed threshold per region.

The P5,000 to P8,000 worth of social amelioration programs is based on the maximum subsidy per region determined from the region's minimum wage levels as these are close approximations to the amount needed to buy basic food, medicine, and hygiene essentials. It will

be given to an eligible family in cash and in kind by various national government agencies.

The provision of FNFI is part of the Department's Technical Assistance and Resource Augmentation (TARA) to local government units (LGUs) in addressing the food needs of their constituents. AICS, on the other hand, provides integrated services to individuals and families in crisis situation which include financial assistance to assist them with their basic needs.

Likewise, Livelihood Assistance Grants (LAG) will be provided to a beneficiary-family of the Department's Sustainable Livelihood Program (SLP) with at least one member who is a worker in the informal sector and is displaced due to the declaration of the community quarantine. The family must be in the master list endorsed by the LGU to the DSWD Field Office (FO) and must still undergo assessment by a DSWD staff. The LAG will be given after the quarantine period has been

lifted to help the families start anew.

LGUs will prepare the list of the target beneficiaries of the social amelioration measures and endorse this with the complete documentary requirements to the concerned DSWD FO for verification. A Social Amelioration Card (SAC) that captures the family profile will be distributed to the LGUs to enable the beneficiaries to access the assistance. It will also serve as a monitoring tool to avoid duplication of delivery of services. DSWD will also use the existing list of Pantawid Pamilyang Pilipino Program (4Ps) and the Unconditional Cash Transfer (UCT) Program to validate the list submitted by LGUs.

Families under the 4Ps will also be supported with a top-up on their grants and rice subsidy to reach the maximum benefit per region. 4Ps beneficiaries are most vulnerable to economic, social and physical shocks such as this health crisis, thus, the need to augment their existing grants to help them with their daily needs.

The social ameliora-

tion measures will help mitigate the socio-economic impact of the COVID-19 health crisis and the enhanced community quarantine to the target beneficiaries, particularly the senior citizens, persons with disability, pregnant and lactating mothers, solo parents, overseas Filipinos in distress, indigent Indigenous Peoples, homeless citizens, and the informal economy workers.

The measures are contained in the Joint Memorandum Circular forged by DSWD, Department of Labor and Employment (DOLE), Department of Trade and Industry (DTI), Department of Agriculture (DA), Department of the Interior and Local Government (DILG), Department of Finance (DOF), and the Department of Budget and Management (DBM). DSWD commits to strengthen its coordination with the LGUs to provide the delivery of maagap at mapagkalingang serbisyo to the poor, vulnerable, and disadvantaged, while putting premium to the health and safety of its beneficiaries and personnel in this time of public health emergency. ###

DOLE 4A RELEASES P3.6M CASH AID
FOR WORKERS IN THE PRIVATE SECTOR

CALAMBA CITY, Laguna (PIA) --The Department of Labor and Employment (DOLE) CALABARZON has released a total of P3,660,000.00 for the P5,000 cash aid for workers in the private sector temporarily displaced by the implementation of the Luzonwide enhanced community quarantine (ECQ) to contain the spread of coronavirus disease (COVID)-19.

About 732 workers from 32 private establishments in CALABARZON are

the 1st batch of beneficiaries of the cash aid granted thru the COVID-19 Adjustment Measures Program (CAMP), a safety net program of the government to cushion the effect of ECQ to workers in private establishments that adopted flexible work arrangement (FWA) or temporary closure.

"We are really fast tracking the processing of applications for CAMP to give financial support as soon as possible to workers whose companies either implemented

FWAs or had to close temporarily due to the government's lockdown order to stop the spread of COVID-19," DOLE IV-A Regional Director Henry John S. Jalbuena said.

The financial assistance, according to Jalbuena, will be directly released to the employees' payroll account through bank transfer while for cash payroll, it shall be received through money remittance.

All affected workers in private establishments re-

gardless of their status: permanent, probationary, and contractual are entitled to the CAMP P5,000 cash aid.

Documentary requirements such as application form, fully accomplished Establishment Report Form (ERF), and company payroll for the month of February 2020 or earlier must be submitted thru email to the DOLE provincial offices nearest to your location. (CPGonzaga, PIA 4A with report from DOLE-CALABARZON)

Good news pong muli para sa ating health workers! Maraming salamat po sa SONDRAGON FOUNDATION INC. sa kanilang pamamahagi ng Acrylic Aerosol Boxes kamakailan. Ang mga ito ay ginawa po ng TECHNO GROUP OF COMPANIES.

Ang mga units na ito ay magagamit po ng ating medical technologists upang magsagawa ng Oropharyngeal/ Nasopharyngeal Swab para sa COVID-19 Testing. Ito ay maari ding gamitin ng ating mga doctor mula sa Pagamutang Bayan ng Carmona para sa Endotracheal Intubation.

Malaking tulong po ito upang maprotektahan ang ating health workers at frontliners sa kapamahakang dala ng COVID-19 sa kanilang daily duties para sa ating bayan.

CARMONA HEALTH
ADVISORY

Magandang hapon po sa ating lahat!

Narito po ang official statement mula sa ating Municipal Health Officer Dr. Homer L. Aguinaldo.

Hinihingi pong muli ng Pamahalaang Bayan ng Carmona lalo na po ng ating Municipal Health Office (MHO) ang kooperasyon ng lahat na mayroong travel history sa mga lugar na may confirmed cases ng COVID-19 o may sintomas tulad ng ubo, sipon, o lagnat na makipag-ugnayan agad sa MHO o pinakamalapit na health center. Gayundin ang panawagan sa mga kababayan natin na may kakayahang magpacheck-up sa mga ospital na may COVID-19 testing laboratories tulad ng RITM at iba pang private hospitals. Hinihingi din po ng MHO ang inyong pagtitiwala na ipagbigay-alam ito agad sa amin.

Extend price...
from p2

On March 2, oil companies decreased the price of LPG by P3.90/kg or about P42.90/11-kg cylinder. Auto LPG likewise decreased by P2.20/liter. In Metro Manila, the price of household LPG ranges from P612.10-735.10 per 11-kilogram cylinder.

Aside from calling for a price freeze extension, Gatchalian also urges the DOE to be vigilant against unscrupulous traders who will take advantage of the crisis. He urges the public to immediately report pricing

abuses to the DOE.

The lawmaker also calls for a close collaboration between the DOE and local government units (LGUs) to ensure the unimpeded delivery of energy services during the entire enhanced community quarantine period.

Gatchalian reminds LGUs that fuel and petroleum products are included in the Inter Agency Task Force' guidelines on products allowed to be transported.

ITALIAN PRIEST...from p1

Berardelli, who sacrificed his life to save a younger coronavirus patient

Berardelli, 72, made headlines after he gave up a respirator that parishioners had bought for him for the sake of a young person who he did not know.

Santos, who chairs the bishops' Commission on PCF, said that what Berardelli did was "a powerful lesson of supreme act of sacrifice".

"We have asked our OFW's and chaplains to remem-

ber him together with the 66 priests who perished, with God's mercy and love, granting them eternal rest," he added.

Italian officials said 712 people died of the illness in the last 24 hours, pushing the death toll to 8,215, while new infections to 80,689.

"Learning what is happening in Italy, let us not forget our OFWs and their loved ones here. We pray for them and help their families," Santos said.source:CBP News

IN METRO MANILA....
DA to rollout more
Kadiwa mobile markets

QUEZON CITY (PIA)--The Department of Agriculture (DA) will set up more 'Kadiwa ni Ani at Kita' outlets to serve more consumers in Metro Manila, providing them fresh farm and fishery products at affordable prices.

Following the success of the Kadiwa outlet launched last week at the DA's Agricultural Training Institute (ATI), along Elliptical Road in Quezon City, Agriculture Secretary William D. Dar said they are pleased that thousands of Quezon City residents benefited from the DA-ATI Kadiwa mobile market.

"We will open more this week to benefit more urban families, and at the same time provide our Luzon farmers and fishers direct market and thus earn for their respective products," Dar said.

The Kadiwa outlets sell fresh vegetables and oth-

Agriculture Secretary William D. Dar

er agri-fishery products that are at least 20 percent cheaper than those sold at MM public markets.

Additional Kadiwa ni Ani at Kita outlets will be set up near Elliptical Road, Diliman, Quezon City, and other participating LGUs, by the DA's Agribusiness and Marketing Assistance Service (AMAS).

"We have engaged Pateros, Quezon City, Caloo-

can, Taguig, and Pasig in the services of Kadiwa on Wheels. The number is growing and in the next weeks, we expect more orders from other LGUs in metropolitan areas," said DA assistant secretary for agribusiness Kristine Evangelista.

To date, at least four LGUs (Las Piñas, Makati, Pasig, Pateros) and two executive villages (Valle Verde and Don Jose Heights subdivisions) have expressed interest to participate in the DA Kadiwa initiative, she added.

Dar said they are hopeful that more local chief executives in Metro Manila and other metropolis will consider establishing Kadiwa stores in their respective areas, which can be brought down to barangay levels.

The DA targets to deliver 10 to 12 metric tons of fresh produce to sustain the Kadiwa operations in Metro

Manila.

Kadiwa ni Ani at Kita is a collaborative project of the Department of Agriculture, Department of Interior and Local Government, and Food Terminal Inc. (FTI).

The project, re-launched in September 2019, aims to establish a direct marketing link between farmers and fishers, and consumers. (DA/PIA-NCR)

"Through this, we are hoping that we could provide an assured market for our farmers and fisheries, while providing cheaper and nutritious food to our people, especially in this time of crisis," Dar said.

The Kadiwa stall in DA-ATI opens weekly every Thursday to Saturday from 6 am to 5 pm, while the stall in Cainta serves every Friday to Sunday, also from 6 am to 5 pm. (DA/PIA-NCR)

TECH4ED OFFERS FREE
ONLINE EDUCATIONAL
CONTENT FOR KIDS
DURING HOME QUARANTINE

Free eBooks and other educational content designed for children can now be accessed under the eDu-Skills Segment of the Tech4ED project.

The educational materials were sourced from Let's Read - Asia's free digital library for Children and uploaded to the Department of Information and Communications Technology's (DICT) Tech4ED platform to continually boost learning beyond the classroom.

The educational materials aim to practice the reading comprehension skills of children. Readers can select their appropriate reading level to access a sizeable col-

lection of eBooks on diverse topics. There is also a Covibook that provides an opportunity for children, parents and educators to learn more about the pandemic and discuss their feelings in earnest.

The materials can be read online or downloaded for offline consumption, and can be automatically translated to different languages, both foreign (English, Mandarin, Japanese, etc.) and local (Tagalog, Cebuano, Hiligaynon, etc.) to cater to a variety of clients.

Interested readers may get unlimited access by creating a Tech4ED account (selecting the Tech4ED center nearest to your location) at www.tech4ed.gov.ph.

DA-APCO visits checkpoints in Cavite to disseminate info on continuous delivery of agri & fishery products

CALAMBA CITY, Laguna (PIA) --The Agricultural Program Coordinating Office (APCO) of the Department of Agriculture (DA) Region IV-CALABARZON in Cavite visited checkpoints around Cavite province March 26 to intensify information dissemination on important Memo Circulars issued by the DA and advisories from the Department of the Interior and Local Government (DILG).

"We gave copies of DA Memorandum Circular Numbers 7 and 9 and DILG Advisory to checkpoint personnel and explained to them carefully the provisions of the memo circular," Eda Dimapilis of DA-APCO said.

DA issued Memo Circulars Nos. 7 & 9 to make sure that deliveries of both agricultural and fishery products continue to ensure that every Filipino household in Luzon and high dense metropolitan areas will have access to safe and affordable food while under enhanced community quarantine to arrest further spread of COVID-19 in the country.

On the other hand, the

DILG issued an advisory for the continuous movement of agricultural and fishery products in response to some reports that small farmers and fisherfolk were not allowed to pass thru checkpoints thus restricting their movements in delivering agricultural products and/or inputs or farming/fishing activity.

Dimapilis, said most of the personnel in the checkpoints they visited are not yet informed of the Memo Circulars and the advisory.

"That is why we will continue making rounds to ensure said issuances are properly disseminated down to the checkpoints, especially in the barangay level,"

Laguna isinailalim na sa Total Lockdown bilang pag-iingat sa COVID-19

LUNGSOD NG CALAMBA, Laguna (PIA)--Ipinag-utos ni Governor Ramil Hernandez noong Marso 28, na simula ala-una ng hapon ang implementasyon ng Total Lockdown sa buong lalawigan ng Laguna bilang karagdagang pag-iingat sa nakakahawang sakit na coronavirus disease (COVID)-19.

Mahigpit na ipinag-utos ng Gobernador sa lahat ng awtoridad sa lalawigan gayundin ang pagsunod ng lahat sa mga panuntunan kaugnay ng pagpapatupad nito.

Ang kautusan ay bunsod ng pagdami ng bilang ng mga nagpositibo sa COVID-19 sa Laguna kung kaya't hinihingi ang kooperasyon ng lahat at pang-unawa upang maisagawa ng maayos ang Total Lockdown.

Layunin ng ipinapatupad na Total Lockdown ang maiwasan pa ang pagdami ng mga positibo sa sakit at mabawasan ang mga posibilidad ng local transmission sa mga Lagunense.

Base sa COVID-19 Update na inilabas kahapon ng pamahalaang panlalawigan ng Laguna, nasa 23 na ang bilang ng COVID-19 confirmed cases sa buong Laguna, 680 ang Patient Under Investigation (PUI), ang Person Under Monitoring (PUM) ay 10,136 (ongoing) habang nasa 2,429 naman ang bilang ng PUM na cleared na.

Samantala, patuloy sa operasyon ang mga pangunahing establisimyento na kailangan ng

MUNICIPALITY OF CARMONA

MAGANDANG GABI PO SA INYONG LAHAT!

Patuloy pong tumataas ang mga kaso ng positibo sa coronavirus disease o COVID-19 sa ating mga karatig na bayan. Kung kaya't para makatulong sa pagpapanatiling ligtas ng ating Bayan ng Carmona, ipinatupad ng Carmona Inter-Agency Task Force (IATF) on COVID-19 ang IATF Order No. 04 - 2020 o ang "Bayan, Mag-mask Lagi (BML)" Policy.

Sa ilalim ng kautusang ito, hindi sapat na may quarantine pass ka lang, dapat pong may suot nang mask ang lahat ng nasa Carmona pag lalabas ng bahay. Dapat ding naka-mask kung papasok ng trabaho at ng mga establishments upang bumili ng pangunahing pangangailangan.

Inaasahan po namin ang inyong kooperasyon at tulong-tulong po tayong labanan ang COVID-19!
