National Heroes Day

Sa darating na Lunes Agosto 31, 2026 ay holiday walang pasok ang mga eskwelahan at mga tanggapan ng nasyonal at lokal na pamahalaan.

Tanong ng ilang estudyante at mga senior citizen " Ay bakit holiday anong meron?"

"Sagot ng isa pang senior citizen, " Bakit nga ba? Baka naman birthday ni PBNM he,he,he."

Nakalagay sa 2026 na kalendaryo, Agosto 31, kulay pula, at National Heroes Day. Araw ng mga Bayani.

Marami na ang makalimot. Hindi na natatandaan ang kahalagahan ng araw na ito.

Hindi dapat kalimutan ang Araw ng mga Bayani. Ang mga bayani o heroes ng bansang Pilipinas ang nagsikap at nagbuwis ng kanilang buhay para sa kalayaang tinatamasa ng lahat ng mga Pilipino sa kasalukuyan.

Jose Rizal, Apolinario Mabini, Andres Bonifacio, Manuel Luis Quezon, Lapu Lapu at marami pang iba.

Sila ang nanguna sa pakikipaglaban sa mga dayuhang nagtangkang sakupin ang Pilipinas. Subalit dahil sa katapangan, katatagan, tibay ng dibdib at pananampalataya sa Diyos ng mga bayaning ito, hindi nagtagumpay ang mga mananakop.

Ang Pilipinas ay para sa mga Pilipino, at ang kalayaan ng bawat Pilipino ay hindi dapat sagkaan ng sinumang dayuhan.

Malinaw ang mga prinsipyo at paninindigan ng mga bayaning Pilipino. At dapat, sundin at tularan ng lahat, gawing inspirasyon sa araw-araw na pamumuhay.

Iyang pag-aalala, pag-gunita sa kanilang kabayanihan at paglalaan ng kahit isang araw lang para sa kanilang mga nagawa ay dapat na igalang ng lahat.

National Heroes Day. Araw ng mga Bayan. Tandaan natin iyan, at gawing gabay sa paninindigan walang ang bansang Pilipinas, kasama rito ang Philippine Sea (WPS) ay para sa mga PILIPINO, at HINDI KUNG KANI-KANINO.

Bam Aquino seeks to increase social pension for senior citizens to P1,000

Aiming to provide assistance to more senior citizens, Senator Bam Aquino wants to expand the coverage of the Expanded Senior Citizens Act of 2010 and increase the monthly social pension for qualified senior citizens to P1,000.

Aquino’s Senate Bill No. 269 seeks to provide a P1,000 monthly social pension to senior citizens who do not receive a social pension or who receive a pension of no more than P3,000, giving them a regular and predictable source of income they can use for everyday expenses, medical needs, and emergencies.

“As we grow older, it becomes more difficult to generate income. Many of our lolos and lolas face barriers to staying employed after the age of 60 due to physical limitations, age-based discrimination, or the lack of opportunities tailored to their skills,” he explained.

“Unlike irregular or informal sources of support, a pension allows recipients to manage their resources with more certainty. This reduces stress, promotes better well-being, and allows older people to make personal choices about how their money is spent,” he added.

Aquino pointed out that a reliable social pension can also ease the financial burden on families who may already be struggling with their own everyday expenses, such as food, medicine, and educational needs.

SUPORTA SA MODERNISASYON NG INDUSTRIYA NG PAG-IITLOG

Suportado ni Pangulong Ferdinand Marcos Jr. ang pagsisikap ng Department of Agriculture (DA) at Department of Science and Technology (DOST) na gawing mas moderno at episyente ang industriya ng itlog sa bansa.

Bumisita ang Pangulo ngayong araw, kasama si Agriculture Secretary Francisco P. Tiu Laurel Jr., sa P300-milyong egg processing facility ng Batangas Egg Producers Multi-purpose Cooperative (BEPCO) sa San Jose, Batangas, na kinikilala bilang “Egg Basket of the Philippines.”

Layunin ng pasilidad na mapataas ang halaga ng milyon-milyong itlog na ginagawa araw-araw sa San Jose sa pamamagitan ng pasteurization, cold storage, at paggawa ng powdered egg products.

Ayon kay Pangulong Marcos, makatutulong ang modernong processing at storage facilities upang mabawasan ang food waste, mapatatag ang suplay, maprotektahan ang kita ng mga egg farmers, at mapanatiling abot-kaya ang presyo ng itlog para sa mga mamimili.

UPLB rental housing project seeks to benefit students, low-income families under 4PH program

LOS BAÑOS, Laguna (PIA) — In a bid to address the country's housing shortage, the Department of Human Settlements and Urban Development (DHSUD) and the University of the Philippines Los Baños (UPLB) are set to begin full-scale construction of the Pambansang Pabahay para sa Pilipino Program (4PH) rental housing project in Barangay Paciano Rizal, Bay, Laguna, following a recent concrete-pouring ceremony.

According to DSHUD, the said UPLB-Expanded 4PH rental housing project will provide initial 320 housing units for qualified beneficiaries, including low-income employees and students of UPLB, as well as informal settler families within the university.

"Layunin ng Expanded 4PH ni PBBM ang matugunan ang pangangailangan ng ating mga kababayan para sa disente, ligtas, at abot-kayang pabahay. Ang concrete pouring na ito ay hakbang papalapit sa pagbibigay ng mas maayos at mas may dignidad na pamumuhay sa ating mga benepisyaryo," Secretary Aliling said in an official post.

The project's realization was made possible through the close collaboration between the Urban Housing Department and the UPLB leadership, with full-scale construction set to commence five months after the groundbreaking ceremony held last March. The project will mark the end of a 45-year wait for a government housing project at UPLB, following the last housing project implemented during the administration of the late President Ferdinand E. Marcos Sr.

According to UPLB, an estimated 800 individuals including low-income employees and informal settlers will benefit from the project, addressing the housing shortages for the university's personnel and families under the 4PH program.

President Ferdinand R. Marcos Jr. has directed the housing department to expand and recalibrate the flagship 4PH program to ensure that the government further reaches the low-income and marginalized Filipinos in the country. (COP/PIA CALABARZON with reports from DSHUD, UPLB)

Cavite OFW families gain skills on food processing through livelihood training

The Provincial Government of Cavite, through the Office of the Provincial Cooperatlves Development Officer (OPCDO), conducted a livelihood training on food processing on August 25, 2026, at the Office of the Provincial General Services Office (OPGSO) Pantry Area of the New Provincial Government Center in Trece Martires City.

The training was attended by 40 family members of Overseas Filipino Workers (OFWs), who were provided with practical knowledge and skills in food processing as an avenue for additional income and livelihood opportunities.

The activity aimed to equip participants with basic food processing techniques that they can potentially apply in starting or expanding small-scale livelihood ventures. Through hands-on learning and practical demonstrations, the participants gained valuable skills that may help them develop food products for personal consumption or commercialization.

The initiative forms part of the Provincial Government's continuing efforts to empower OFW families by providing them with skills and opportunities that can contribute to their economic stability and self-reliance.

Through programs such as this, the PGC continues to support OFW families by promoting livelihood development and providing avenues for them to acquire practical skills that can translate into sustainable sources of income. — OPIO

Pres. Marcos Advances Access...from page1

Co-Pay policy for basic accommodation.

"Walang pinipiling tao ang sakit. Anyone can suddenly face the medical emergency that requires immediate treatment or specialized care. This administration remains committed to making quality health care accessible and affordable to more Filipinos. Malinaw ang ating hangarin, hindi dapat maging hadlang ang kakulangan sa pera para makakuha ng kinakailangang atensiyong medikal," President Marcos Jr. expressed.

The agreement will facilitate collaboration on key healthcare reforms, the establishment of performance-based incentive systems for healthcare providers, and the support of evidence-based policymaking and research. In addition, St. Luke's — Global City will maintain at least ten percent (10%) of its total bed capacity as basic or ward accommodation, enabling access to the hospital's advanced medical services with zero co-payment for eligible members and covered cases and services.

"The Universal Health Care Act guarantees every Filipino immediate eligibility and access to necessary care whenever they need it. On our end, PhilHealth will ensure that shared commitments are not just admirable but sustainable through clearer benchmarks, recognition of efficiency, and appropriate payment design as intended by the UHC Act," said Dr. Ho.

Meanwhile Dr. Serrano stated, "We recognize the vital role that PhilHealth plays in providing financial protection and expanding access to healthcare. By working together, we can help eligible patients better understand and maximize their benefits while making their healthcare journey more seamless and responsive."

The collaboration reflects a growing role for public-private partnerships in shaping healthcare reforms, with both institutions working toward practical solutions that strengthen the National Health Insurance Program and improve the delivery of health services.

Bam Aquino seeks to increase...from p3

"A pension can help cover food, medicine, utility bills, or transportation costs, easing the financial pressure on younger relatives who may already be juggling their own expenses," he explained.

Aquino said the proposed increase is also a way of recognizing the contributions of senior citizens to the country.

"Our senior citizens have broadly contributed to the development of our nation. It is time for us to return their sacrifices by ensuring that they are cared for in their old age," he emphasized.

Senate Bill No. 269 is part of Aquino's 10 "Panukalang Batas para sa Abot-Kayang Pamumuhay," which seek to provide immediate relief and support to ordinary citizens burdened by high prices, costly health services, low wages, and inadequate government support.

Aquino likewise filed Senate Bill No. 2386, or the National Disability Support Act, providing qualified persons with disabilities (PWDs) a P2,000 monthly disability support allowance) to help cover disability-related costs and other essential expenses.

Sa pangunguna nina Congressman Roy M. Loyola at Mayor Dahlia A. Loyola, isinagawa ang programa sa Barangay Aldiano Olaes sa pakikipagtulungan ng Samahan ng Nagkakaisang Kababaihan ng Carmona, Inc. (SNKCI).

Nakiisa rin sa programa si Barangay Captain Alex Noveno, kasama ang mga barangay kagawad at block leaders, upang hikayatin ang mga residente na maging aktibong bahagi ng programa at isulong ang mas maayos na pangangalaga sa kapaligiran.

Bukod sa pagtulong sa pagbawas ng basura, layunin din ng programa na makapagbigay ng karagdagang benepisyo sa mga pamilyang kalahok sa pamamagitan ng bigas na ipinagpapalit sa mga recyclable na materyales.

Ayon sa mga tagapagtaguyod ng programa, ang wastong pamamahala ng basura ay pananagutan ng bawat mamamayan. Sa pamamagitan ng sama-samang pagkilos, inaasahang makatutulong ang mga residente sa pangangalaga ng kalikasan habang nakikinabang ang kanilang mga pamilya at komunidad.

Patuloy namang pinalalawak ang CARSIGMA Basura Palit Bigas Program sa iba pang mga barangay sa GMA, Cavite upang mas marami pang residente ang mahikayat na makiisa sa responsableng pamamahala ng basura.

MAG-INGAT SA POSIBLENG PAGGUHO NG LUPA!

Sa patuloy na pag-ulan, mahalagang maging handa at alerto ang ating mga LGU at komunidad, lalo na ang mga naninirahan sa mga lugar na may mataas na posibilidad ng rain-induced landslides. Alinsunod sa mga itinakdang Minimum Critical Preparedness Actions at rekomendasyon ng DENR-MGB, narito ang ilang mahahalagang hakbang:

◘ PARA SA MGA LUGAR NA MAY KATAMTAMAN HANGGANG MATAAS NA PANGANIB NG LANDSLIDE:
◘ Bantayan at agad i-report ang mga bagong bitak sa kalsada, pader, sahig, at paligid ng mga pinto at bintana, pati na rin ang pagkahilig ng mga poste o pader.
◘ Maging alerto sa biglaang pagbabago sa daloy ng tubig sa mga sapa at kanal, kabilang ang biglaang pagtaas o pagbaba ng tubig at pagbabago ng kulay nito mula malinaw tungo sa maputik—maaaring senyales ito ng paparating na debris flow.
◘ Isaalang-alang ang pre-emptive evacuation para sa mga residenteng nasa paanan ng mga dalisdis, bangin, gulod, sapa, at iba pang landslide-prone areas.
◘ Mahigpit na ipatupad ang pre-emptive evacuation sa mga lugar na nagpapakita ng aktibong paggalaw ng lupa o dalisdis.
◘ Huwag pahintulutang bumalik ang mga residente sa lugar na nakaranas ng pagguho ng lupa hangga't hindi ito idinedeklarang ligtas ng mga awtoridad.
◘ Mahigpit na bantayan ang mga kalsadang dumaraan sa high at very high landslide susceptibility areas. Maaaring pansamantalang isara ang mga ito kung kinakailangan para sa kaligtasan ng publiko.
◘ TANDAAN: Ang maagang pagkilos ay nakapagliligtas ng buhay. Huwag hintaying mangyari ang pagguho bago kumilos.

Patuloy na makipag-ugnayan sa inyong LGU, LDRRMO/CDRRMO/MDRRMO, Barangay DRRMC, at iba pang kinauukulang awtoridad para sa mga opisyal na abiso at agarang hakbang.
