DOH-Calabarzon reaches nearly 50% of measles-rubella vaccination target

CALABARZON — The Department of Health-Center for Health Development (DOH-CHD Region IV-A) is nearly half-way through its goal of immunizing at least 1.3 million

children across the Calabarzon region against measles, rubella, and polio.

As of May 17, DOH-4A has immunized 49.72% of its target or equivalent to 676,926 chil-

dren ages nine to 59 months old against measles-rubella on their second week of the vaccination drive.

DOH-Calabarzon Regional Director Ariel I. Valencia, however, clarified

the figure was based on the manual count and that official data will still be released from the Synchronized Elec-

tronic Immunization Repository (SEIR) – an uploading system used by the DOH central office.

“This is the result of our effort, making sure that we are aligned with one goal, and that is to protect our children against vaccine-preventable diseases by strengthening their immunity,” he added.

Among the provinces, Laguna topped the measles-rubella vaccination with a 57.14% immunization

rate, translating to 156,089 children. Other provinces have also vaccinated almost half of their target pediatric population.

On the other hand, 126,745 children or 43.11%, have already received the bivalent oral polio vaccine, with Quezon province leading the OPV supplemental immunization activity.

Valencia previously said the DOH seeks to immunize at least 95% of

DSWD pioneers digital transformation in gov't agencies

MANILA — Department of Social Welfare and Development (DSWD) Secretary Rex Gatchalian said that the agency has begun to undergo a significant overhaul of its information and communications technology (ICT) infrastructure, processes, and workforce to enhance its services.

"We are determined to change the perception on government agencies when it comes to technology. We want to attract bright ICT talents and technology leaders to join us in our mission to make a difference in the lives of our beneficiaries," Gatchalian said.

Traditionally, the DSWD has been known for its social welfare programs, but it is now emerging as the pioneer and leader in digital transformation among government agencies.

He said such transformation would enable providers of social protection to use state-of-the-art digital public infrastructure (DPI) technologies.

The department, he said, recognizes the importance of technology in providing timely, efficient, and quality services to its beneficiaries, and the DSWD is committed to leveraging it to enhance its programs and services.

"We are excited about the future of the DSWD and the impact that our digital transformation initiative will have on the lives of our beneficiaries," Gatchalian said, adding that the agency is infusing a culture of innovation and agility in its ICT Management Service (ICTMS) to achieve its goal.

He said the DSWD

is adopting the best practices from leading technology companies to create user-centered solutions and to build a world-class digital experience for its beneficiaries, social workers, and co-employees.

The DSWD is currently investing heavily in ICT infrastructure and is also providing training and development programs to enhance the skills and capabilities of its workforce.

"The digital transformation initiative will soon yield positive results. The DSWD is streamlining

its processes, reducing red tape, and improving its services' delivery to beneficiaries," Gatchalian said.

The DSWD has also launched a new branding strategy to align its ICTMS Management Service with its mission and vision.

"We invite bright software developers and technology professionals to join us in our journey towards a better and more digital government agency," Gatchalian said. source:(P-NA)

Cavite provincial government through the initiative of the Office of the Provincial Agriculturist (OPA) spearheaded the celebration of the Month of the Ocean 2023 on May 16 - 17, 2023 which aimed to raise awareness on the importance of the ocean and its resources, as the world faces growing environmental challenges that threaten the health of the oceans and marine life.

This year's theme, "Sustainably Feed the Global Population" highlights the urgent need for action to promote the responsible management and conservation of the ocean's resources through adopting sustainable fishing and aquaculture practices and protecting critical habitats.

On May 16, 2023, a symposium was conducted at the Ceremonial Hall of the Provincial Capitol in Trece Martires City which was attended by the chair of City/ Municipal Fisheries and Aquatic Resources Management Councils (C/MFARMC), City/ Municipal Agriculturists and fisherfolks of 9 coastal local government units in Cavite, representatives

On the hand, Engr. Ronalyn F. Pangilinan of OPENRO tackled Sustainability Through Ridge to Reef Approach which involves the management of land, coastal waters, and the ocean as an integrated system. The approach recognizes the interconnectedness of these ecosystems and the importance of managing them holistically to ensure the sustainability of fisheries and other natural resources.

In continuation of the Month of the Ocean celebration, a mangrove planting activity at the coastline of Brgy. Calibuyo in Tanza was also held on May 17, 2023.

This was undertaken to reforest the identified site with mangroves which are known to protect the coastlines from erosion, provide habitat for fish and other marine life, and help to mitigate the effects of climate change by storing carbon.

The planting activity was participated by the C/MFARMC chairpersons, City/ Municipal Agriculturists and fisherfolks of 9 coastal LGUs, representatives from MENRO-Tanza, faculty and staff of Flaviana Arayata Memorial Elementary School, representatives from San Miguel Aerocity Inc., and OPA personnel. LAB for ALL Caravan, inilunsad sa Batangas

BATANGAS CITY (PIA) — Iba't ibang serbisyong pangkalusugan para sa mga Batangueño ang inihatid ng LAB for ALL Caravan o "Libreng Laboratoryo, Konsulta at Gamot para sa Lahat" na idinaos kamakailan sa DREAM Zone, Provincial Capitol.

Pinangunahan ni First Lady Louise "Liza" Araneta-Marcos ang naturang programa kung saan malugod na tinanggap ito ni Governor Hermilando Mandanas at ng lahat ng Batangueño ng dumalo dito.

Layon ng caravan na makapaghatid ng libreng primary healthcare services sa mga komunidad sa buong bansa. Mapapagaan ng programang ito ang pag-iwas sa pagpila ng mahabang oras at pagpapabalik-balik sa mga ospital. Sa pamamagitan din ng programa, mas mabilis na malalaman ang angkop at karampatang medical intervention na kailangan at magsisilbing preventive care program.

Ayon kay Mandanas, malaki ang kanyang pasasalamat sa Unang Ginang

sa pagkahirang sa lalawigan bilang pilot site ng programa.

Aniya, ito ay nagpapakita ng pagnanais na maging model province ang Batangas sa pagpapatupad ng Universal Health Care Law upang makapagbigay ng abot-kaya at de-kalidad na serbisyong pangkalusugan.

Sa mensahe ni First Lady Liza Marcos, ang inisyatibong ito ay magbibigay katuparan sa pangako ni Pangulong Ferdinand "Bongbong" Marcos Jr. na

siyang maglalapit sa nararapat na serbisyong pangkalusugan sa lahat ng Pilipino.

"Palagi ang sinasabi ng aking asawa na napakahalaga ng pangangalagang pangkalusugan at dapat na ang pamahalaan ang maglapit nito sa mga mamamayan. Kailangan din nating padaliin ang proseso nito para mas maging produktibo ang komunidad," pahayag ng Unang Ginang.

Katuwang ng Unang Ginang sa paglulunsad ng LAB for ALL sa Batangas
