Editorial:

Kabataan, pag-asa pa ba ng bayan?

Nitong nakalipas na Hunyo 19,2026 ay holiday o walang pasok ang mga eskwelahan at tanggapan ng gobyerno sa Lalawigan ng Laguna.

Ito bilang pagbibigay- galang at pag-aalala sa pambansang bayani, Dr. Jose P. Rizal na isinilang sa Calamba, Laguna noong Hunyo 19

May nakaalala pa kaya?

Ilang araw pa lamang ang nakakalipas, naglabasan na ang mga balita ukol sa mga kabataang nakalulunos, nakapagtataka ba kung bakit nagaganap ang mga iyon.

Nitong Hunyo 16, 2026 ay isang 14- taong gulang na grade 5 na estudyante ang nanaksak at nagkasugat sa 7 grade 5 na kapwa estudyante sa isang pribadong paaralan sa General Trias, Cavite tatlong araw lang nakalipas ito, nitong Hunyo 19, isa namang 18 taong gulang na grade 11 mag- aaral ang nasugatan sa isang knife attack sa loob ng Cavite National High School sa Cavite City.

Sa Tacloban, isang grade 9 at grade 10 na estudyante ang namaril mismo sa loob ng silid aralan at 3 estudyante ang namatay, 11 pa ang sugatan.

Nakakakilabot, nakakasindak, nakakatakot nakakapagtaka. Bakit mga kabataang mag-aaral pa naman ang gumagawa ng ganito?

Ano ang dahilan? Ano ang nagbunsod sa kanila para gawin ang ganitong krimen?

Sino ang dapat sisihin? Nagkulang kaya ang mga magulang nila sa pangangaral?

Ang sabi ni Mayor Alfred Romualdez ng Tacloban, ang pagpapalaki sa kabataan at pagdidisiplina ay tungkulin ng mga magulang, HINDI NG GOBYERNO.

May mga nagkomento rin na marahil ay impluwensya ng mga games na napapanood online.

Ang mga magulang ng mga na biktima, nasugatan at na patay ay humihingi ng HUSTISYA. Kahit daw menor de edad ang mga kriminal, dapat lang parusahan sa kanilang ginawang pagpatay.

Patuloy pa ang imbestigasyon. Sana, maging TAMA ang resulta.

Dapat talaga, tutukan ng mga magulang ang pagpapalaki,ng maayos at TAMA, may takot sa DIYOS at sa batas, at may respeto sa kapwa nila ang kanilang mga anak.

May nagtatanong, 'Kung buhay pa si Dr. Jose P. Rizal, ano daw kaya ang iisipin at gagawin nito?

Oo naman. Ang mga kabataan ay mananatiling Pag- asa ng bayan, tulad ng sinabi ni Rizal.

Ilan lang naman ang mga kabataang naliligaw ng landas. Mas marami pa rin ang mga kabataang taumatahal sa matuwid na landas at sila ay pag-asa pa rin para sa magulang kinabukasan.

SANA. Ipagdasal natin ang mga kabataan. Sana, maging maayos sila, tumahak sa matuwid na landas ng buhay.

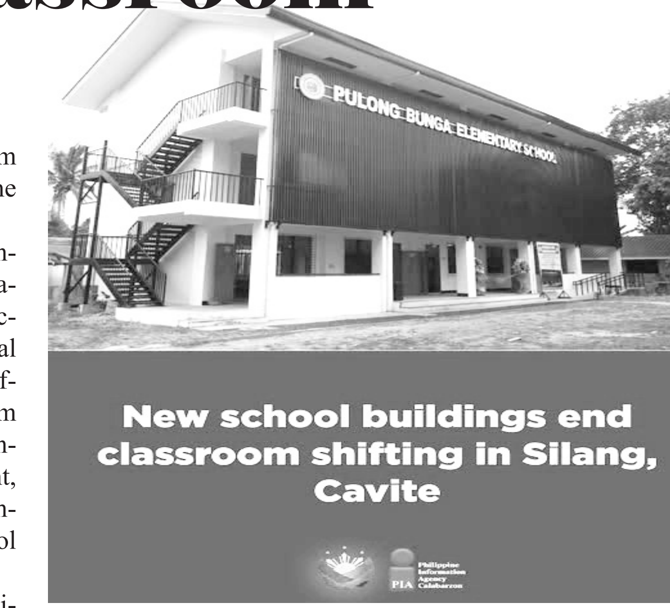
New school buildings end classroom shifting in Silang, Cavite



SILANG, Cavite (PIA) — Students in the Municipality of Silang, Cavite will no longer have to adopt class shifting schemes following the inauguration of new buildings in key local schools.

Last June 23, the Municipal Government led the simultaneous inauguration of school buildings across the municipality as part of its ongoing efforts to address classroom shortage.

Milano Garzon, school head of BLISS Elementary School noted that the newly opened classroom building will help end class shifting, a practice that has been adopted by several public schools in an effort to address the lack of teaching facilities.

“Sa bagong school building, natuldukan na ang shifting classes.”

With its additional classrooms, Garzon noted that classes can now end by one o’clock in the afternoon for Grades 1 and 2, while Grade 3 pupils will end their classes two o’clock in the afternoon. Older students, including Grades 4 through 6 will end their classes by three o’clock in the afternoon.

BLISS Elementary School currently serves 525 pupils from Kindergarten through Grade 6.

Teachers at Gen. Vito Belarmino Integrated National High School, Pulong Bunga Elementary School, Brgy. Munting Ilog Elementary School, and Brgy. Balite II Elementary School, who also inaugurated their own six-classroom buildings also welcomed the additional infrastructure.

Mayor Ted Carranza, in a statement, emphasized the school infrastructure program in the local government’s continuous efforts to address classroom shortage. With a more conducive learning environment, Carranza assured their commitment to invest in school infrastructure.

“Through these initiatives, the Municipal Government of Silang moves closer to its goal of completely eliminating class shifting and providing every student with access to quality education in a safe and conducive learning environment.”

In partnership with local government units all over the country, the Department of Education (DepEd) launched its localized school building program in a bid to decentralize infrastructure development especially in public schools. Under this program, LGUs became a partner of the education sector in fast-tracking classroom construction and rehabilitation. (PB-PIA CALABARZON, Municipal Government of Silang)

15 Kalahok, Sinanay Bilang mga Resource Person sa Basic Coconut Production

Matagumpay na naisagawa kamakailan ang Phase I: Fundamentals of an Effective Resource Person ng Resource Person Development Course on COCO101: Basic Coconut Production (RPDC on COCO101), na nagsilbing matibay na pundasyon sa paghahanda ng mga kalahok bilang mga mahusay at epektibong resource persons sa larangan ng basic coconut production.

Sa loob ng limang araw na pagsasanay, pinalalim ng labinlimang (15) kalahok mula sa iba’t ibang lalawigan ng CALABARZON ang kanilang kaalaman at kakayahan sa pamamagitan ng mga paksang tinalakay tulad ng Basic Coconut Production: A Review, The Resource Person/Trainer’s Tasks and Desirable Characteristics, Adult Learning Principles, Responsible Adult Communication, Presentation Skills, at Instructional Materials Development.

Sa pagtatapos ng Phase I, nagbahagi ng mensahe si Bb. Sherylou C. Alfaro, RAgr., Assistant Center Director ng DA-ATI CALABARZON. Hinikayat niya ang mga kalahok na ipagpatuloy ang paglinang ng kanilang kakayahan, isabuhay ang mga natutuhan, at magsilbing epektibong tagapagbahagi ng kaalaman at teknolohiya para sa patuloy na pagpapaunlad ng industriya ng niyog.

Ang matagumpay na pagtatapos ng unang yugto ng programa ay hudyat ng panibagong hakbang sa paghubog ng mga de-kalidad na resource persons na magsisilbing katuwang sa pagpapalakas ng coconut extension services sa rehiyong CALABARZON.

dents found responsible for bullying inside educational institutions would likewise undergo due process that could result in expulsion.

"I believe in the right of the individual, but we also have a responsibility to the people,” Domagoso said at the Kapihan ng Samahang Plaridel at the Luneta Hotel.

He said the proposed measure seeks to protect the majority of students, parents, and teachers, adding that those who commit serious offenses should be removed from Manila schools while disciplinary proceedings are conducted.

He called for greater authority for teachers to enforce discipline, saying educators should be empowered to maintain peace and order inside schools.

"Empower our teachers para magkaroon ng power ang teacher na makapagdisiplina ng mga students (so that they have the power to discipline the students)," he added.

School safety task force

Meanwhile, Domagoso said the Manila School and Community Safety Task Force, which he formed on Thursday, is set to convene next week.

He signed Executive Order No. 29, Series of 2026 titled the "Manila Schools Safety Initiative" on June 24, adopting a prevention-first approach built on three principles: eliminating illegal firearms and armed threats, acting on every credible warning sign of violence, and preparing every school and community for emergency response.

The task force is tasked to monitor emerging threats against schools, public gatherings, and critical facilities, and to submit quarterly reports to the Office of the Mayor.

The initiative is the response of the Manila City government amid several violent incidents in schools, which claimed the lives of students and injured several others. source:(PNA)

ang makumpleto namin, mashare together with the 289, and also we have at least 221 GAMOT Providers, so sabihin natin, konti pa rin yan kase remember yung YAKAP Provider tapos kukuha ka ng gamot dun sa 54 medicines, kailangan mo yung malapit din sayo na GAMOT Provider para hindi ka ba-biyahe ng malayo o ng other provinde to get it, so dapat taasan din natin yung mga GAMOT Providers natin," Dr. Orina said.

PhilHealth has increased the consultation benefit under the YAKAP program to ₱1,700 per individual, for both public and private healthcare facilities. This is higher than the previous coverage to encourage greater utilization and improve access to affordable healthcare services.

Dr. Orina then emphasized that the program is not only for individuals experiencing health concerns but also for those who wish to regularly monitor their health status and consult with accredited healthcare facilities under the program, promoting preventive care and early detection of potential health conditions.

"Magpa-register po kayo sa Philhealth pero gamitin niyo po ang PhilHealth through YAKAP para mabantayan po ang kalusugan ninyo, because this is prevention rather than cure," Orina stated.

Meanwhile, additional services that PhilHealth members can avail themselves of through YAKAP are dental and optometric, reinforcing its preventive healthcare approach by helping detect health risks before they develop into serious conditions.

The expansion of PhilHealth services is part of President Marcos administration's directive to strengthen the country's healthcare system by ensuring the delivery of more comprehensive, accessible, and inclusive health services for all Filipinos. (COP,ML/PIA CALABARZON)

Pag-IBIG cuts home loan rates to 4.5% to make more houses affordable under PBBM's Expanded 4PH

Home Development Mutual Fund (Pag-IBIG Fund) has lowered housing loan rates to 4.5 percent for homes priced above the socialized housing ceiling as part of President Ferdinand "Bongbong" Marcos Jr.'s push to expand affordable homeownership.

In a statement, Pag-IBIG said the 4.5-percent interest rate would apply to the housing loans or installment payments above the socialized housing ceiling of P950,000 for house-and-lot units, P1.8 million for condominium units, and P2.5 million for low-cost housing.

The cheaper financing is being offered to qualified borrowers until the end of 2026, according to Pag-IBIG.

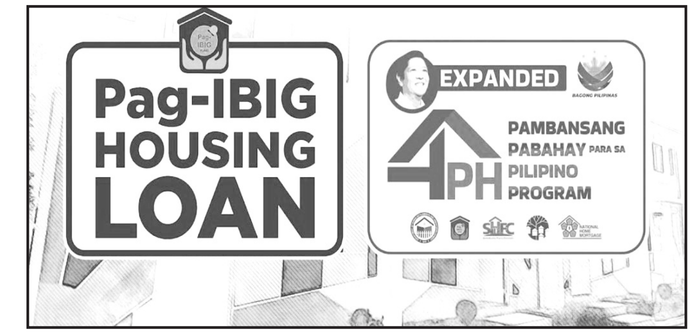
"We continue to heed the directive of President Marcos to make decent and affordable homes more accessible to Filipino families," Department of Human Settlements and Urban Development (DHSUD) Secretary and Pag-IBIG Fund Board Chairman Jose Ramon Aliling said.

The state-operated fund said that the reduced rates would lead to smaller monthly payments for borrowers during the initial years of their loans.

For example, a P2.5-million housing loan paid over 30 years would result in a monthly amortization of about P12,667, which is around P2,700 less than the previous rate of 6.25 percent.

"We know that buying a home is one of the biggest and most important decisions a family will make," Pag-IBIG Fund Chief Executive Officer Marilene Acosta said.

"By lowering our



three-year fixed rates from 6.25 percent to as low as 4.5 percent, we are helping our members save on their monthly amortization during the first three years of their loan," she said.

"These savings can help families manage their daily needs, or even be set aside in their Pag-IBIG Regular Savings or MP2 Savings so they can better prepare for the future while taking the important step toward owning a home," she added.

Members who meet the qualifications can take advantage of promotional rates for housing loans and installment applications for acquired assets filed not later than December 31, 2026. (PIA Bicol)

PhilHealth set to accredit 500 YAKAP facilities in CALABARZON

In a bid to expand access to free medical consultations and medicines, the Philippine Health Insurance Corporation (PhilHealth) Calabarzon aims to accredit 500 healthcare facilities by the end of 2026, under its Yaman ng Kalusugan Program (YAKAP), bringing preventive healthcare services closer to residents across the provinces of Cavite, Laguna, and Quezon.

Dr. Edwin Orina, Acting Vice President of PhilHealth Region IV-A, said the region currently has 289 accredited YAKAP Clinics providing healthcare services to members. Despite the number, the facilities remain insufficient for nearly 11 million residents of the three provinces.

"Dito po sa Region IV-A [mayroong] at least 289 YAKAP providers. I assure you po, kulang po yung 289, kasi napakalaki po ng ating tatlong probinsya – Cavite, Laguna, and Quezon. At the same time, we have at least 10-11 million population, so maliit po yung 289," Dr. Orina stated during an interview with the Philippine Information Agency.

He added that the PhilHealth aims to establish 500 YAKAP Clinics across the region and expand the number of Guaranteed and Accessible Medications for Outpatient Treatment (GAMOT) providers to serve more Filipinos, particularly its members, and ensure wider access to healthcare services, benefits, free medical care, and medicines.
