Church group calls for trash-free 'Undas' observance

MANILA — The social arm of the Catholic Bishops' Conference of the Philippines (CBCP) has appealed to the people to ensure that the environment is protected by having a "garbage-free" commemoration of Undas (All Saints' Day and All Souls' Day).

Fr. Antonio Labiao Jr, executive secretary of NASSA/Caritas Philippines,

said as good stewards of Mother Nature, the people should show appreciation and care for the environment while remembering their departed loved ones.

"It's our shared responsibility to ensure that our environment, which includes us all, is protected against practices that pollute and degrade it. Let's make our cemeteries trash-free," the Catholic priest added.

Labiao issued the statement in connection with the rally for the "Un-trash Undas: Enforce B.T.S. (Bawal mag Tapon sa Sementeryo [No Littering in Cemeteries])" advocacy held by environmental watchdog EcoWaste Coalition at the Manila North Cemetery on Tuesday.

The rally encourages the public not to litter the **Turn to page 5**

For a food-secured nation, DA
launches Green Revolution 2.0

QUEZON CITY, (PIA) --The Department of Agriculture through the Bureau of Plant Industry (DA-BPI), launched the Green Revolution 2.0: Plants for Bountiful Barangays Movement (Luntiang Ani ng Mamamayan) on October 26 at Rizal Park in Luneta, Manila.

The Green Revolution 2.0 is in line with the strong commitment of the national government towards achieving food security, and seeks to improve the nutrition of Filipinos by increasing production and supply of fresh fruits and vegetables in the urban, peri-urban, and rural areas. It aims to turn communities into patches of green edible landscapes through the establishment of vegetable gardens.

Senior Undersecretary Domingo F. Panganiban graced the kick-off ceremony, which was also attended by other DA and BPI officials,

representatives of the local government units of Metro Manila and other government agencies.

Highlighting the event was the ceremonial planting of “ampatola” or grafted ampalaya, scion, patola, and rootstock.

Panganiban stressed that the success of the initiative relies on the involvement, engagement, and collaborative efforts of all key stakeholders.

Green Revolution 2.0 aims to encourage every Filipino to plant vegetable in their homes to help to ease the burden of the country's food system and supply chain.

To ensure sustainability of the program, the DA will set up provincial production centers that will serve as consolidation areas for producers and consumers.

The Department has also earmarked funds to support the purchase of inputs

such as seeds and garden materials, to be provided to participating barangays.

Under a Memorandum of Understanding, the National Parks Development Committee will serve as the caretaker of the Luneta vegetable garden, which is now open to the public.

The garden showcases various cropping technologies such as vertical and containerized gardens and

PhilHealth
secures health
care of more than
10,000

Over 10,000 Job Order (JO) employees are now secured under the country's premiere health insurance program in the Cagayan Valley Region as PhilHealth Regional Office (PRO) II bolsters its partnership with Local Government Units, National Government Agencies and private institutions and businesses through its Local Health Insurance Offices (LHIOs).

Through a series of Round-Table-Discussions, the LHIOs of the cities of Tuguegarao, Ilagan, Cauayan and Santiago, as well as LHIO Solano in Nueva Vizcaya, have secured the support of various partners in the government and private sectors for the mandatory registration of their respective JO employees. This is made possible through the Group Enrollment Program wherein JOs will be able to pay their contributions and enjoy PhilHealth coverage.

Bound by a Memorandum of Agreement (MOA), the campaign ensures that the health care needs of the JO employees are given importance, especially that most of them are breadwinners in their own families. This partnership aims to provide the said employees with access to quality and affordable healthcare services and adequately protected against financial risks. The said MOA also stipulates the commitment of the participating agencies or institutions to actively participate

in the program and abide by existing rules and governing policies of PhilHealth.

“This is really a laudable move and an indication that employers and agencies that hire Job Order Employees have caught the vision of the Universal Health Care (UHC), wherein all Filipinos should be covered under the National

Health Insurance Program (NHIP). As new UHC Ambassadors, these employers and agencies have given their entire workforce access to preventive, promotive, curative, rehabilitative, and palliative care for medical, dental, mental, and emergency health service”, PRO II Regional Vice President Retired Brigadier General Llewellyn R. Binasoy said.

“We are thankful to every LGU and agency who have fulfilled their role in UHC. They have truly appreciated their part in the successful implementation of the program through their platform. Our hats off to them!”, Mary Jaine G. Baybayan, Chief of Tuguegarao City LHIO added.

PhilHealth covers all Filipinos, here and abroad, to help reduce out-of-pocket spending as well as inequities in health financing during medical situations requiring hospitalization. With the UHC Law in full-swing, PhilHealth continues to work closely with more partners to ensure that its services and benefits reach as many members as possible especially those from the vulnerable sector. ###

pagkakakulong.

Batay sa tala na ibinahagi ng Department of Health (DOH)-Batangas Province, may walong milyon ang binawian ng buhay kaugnay ng paninigarilyo kung saan pitong milyon dito ang direktang nagkasakit habang isang milyon ang nagkasakit dahil sa paglanghap ng usok nito.

Ayon sa pag-aaral, isa sa apat na Pilipino ang naninigarilyo kabilang ang isa sa bawat 10 kabataan at nasa P188B ang nagagastos kada taon sa mga health and medical issues na may kinalaman sa paninigarilyo sa bansa.

Isa sa naging kasunduan sa pagpupulong ang pakikipag-ugnayan ng task force sa mga pamahalaang lokal ng lalawigan upang makuha ang kanilang mungkahi sa pagpapatupad ng batas na ito. (MDC/PIA-Batangas may ulat mula sa PIO Batangas Province)

Ang pagtulong sa kapuwa...

Dahil sa sunod - sunod na kalamidad na dala ng mga nakalipas na bagyo, lindol, pagputok ng mga bulkan, marami pa rin ang hindi makabangon, may mga nananatili pa rin sa evacuation centers at nakakahabag ang kalagayan. Subalit tulad ng mga nakalipas na panahon, hindi naman nagpabaya ang mga may kakayahing tumulong at patuloy na nagsisikap na maihahon ang mga nasalanta.

Dagsa ang mga tulong na bumuhos para sa mga naging biktima, “nakakatouch” o nakakaantig ng damdamin, sabi nga ang mga naging kaganapan, na muli ay nagtanghal sa bantog na katangian ng tradisyong Pinoy - ang BAYANIHAN. At hindi lamang naman mga kapuwa Pilipino ang nagkusang tumulong, kundi pati mga taga ibang lugar kung kaya nga nakakatuwang makita ang bumubuhos na relief assistance at ang pagkakaisa ng marami na nagkukusang dumamay at maghandog ng tulong.

Masarap talaga sa pakiramdam na makitang nagtutulungan ang mga magkabayang. Artista, pulitiko, negosyante, tindero at tindera sa bangketa, estudyante, sundalo, pulis, at mismong mga nabiktima ng kalamidad na nasa evacuation centers at tumutulong na rin upang maibalik sa normal ang sitwasyon. Bantog ang kanilang ginagawa sa buong mundo, at umaani ng paghanga at papuri, kaya maging mula sa ibang bansa ay may dumarating na mga tulong. Ang Bawat sentimo at anumang bagay na dumarating sa operation o relief center ay nakatala, daily accounted for at dapat itong unawain upang hindi pagdudahan o paghanapan, kaya nga oras-oras ay naka-flash sa television screens at sa pangmukhang pahina ng mga pahayagan.

Sa kabila nito, mayroon pa ring ilang walang magawa sa buhay na sa halip matuwa, ay nilalagyan pa ng malisya ang pagtulong ng mga kilalang personalidad. Sana, tumahimik na lang sila. Ang hindi nila alam, marami rin ang tumutulong nang tahimik lamang, hindi nakikita sa telebisyon o sa dyaryo ang kanilang ginagawa. Masarap tumulong sa kapuwa ng walang hinihinging kapalit at bukal sa kalooban, at asahan natin na ang DIYOS na ang bahalang MAGBALIK ng lahat...

Pres Marcos to inspect govt's mega housing project in Marikina

MANILA, (PIA) -- President Ferdinand “Bongbong” Marcos Jr. is set to grace and inspect on Friday, Oct. 28, one of the government's mega housing projects located in Marikina City under the “Pambansang Pabahay para sa Pilipino Program.”

The Bagong Sibol Housing Project, located at Barangay Nangka in Marikina City, that will be personally visited and inspected by Marcos, is projected to accommodate more than 10,000 families.

According to the development plan presented at the site, the project involves the construction of a compound of multiple high-rise buildings, reaching up to 21 floors each.

Under the Pambansang Pabahay para sa Pilipino Program, the Department of Human Settlements and Urban Development (DHSUD) aims to build six million housing units nationwide over the Marcos administration's six-year term.

The DHSUD, the agency in-charge of the Marcos administration's Pambansang Pabahay para sa Pilipino Program, hopes to produce a million housing units per year, a significant increase from the previous 200,000 annual target, said DHSUD Assistant Secretary Avelino Tolentino, during a recent interview over the Laging Handa public briefing.

The Marcos administration's mega housing program was created to address the 6.5 million housing need in the country, according to the Philippine Statistics Authority (PSA)'s data from 2017 to 2022.

To recall, the Marikina City Government signed on Oct. 7, a memorandum of understanding (MOU) with the DHSUD during a ceremony at Brgy. Nangka for a mega housing project under the Marcos administration's Pambansang Pabahay para sa Pilipino Program.

The event was attended by DHSUD Secretary Jose Rizalino Acuzar together with Marikina City Mayor Marcelino Teodoro.

For his part, DHSUD Secretary Rizalino Acuzar assured the continuous progress of the National Housing program of the Marcos Administration.

Sec. Acuzar said that after the series of groundbreaking ceremonies and MOA signings in different local government units, construction for the mega housing project will also begin immediately.

This includes the housing project in Marikina, which President Marcos is personally inspecting this afternoon, he added.

The DHSUD is targeting that in the next three months there will be houses under construction under the PBBM housing program, and these will be ready for occupancy within a year.

In a report by Radio Pilipinas, Sec. Acuzar had a meeting last night with President Marcos and officials of some of the leading banks in the country, as well as government financial institutions.

Some of those discussed include how the private banking sector can help in financing the PBBM Housing program. (PIA-NCR)

TESDA commits to upskill more PH coffee farmers
