

Use of pantries to solicit 'funds', sow hatred vs. gov't decried

MANILA – A Cavite solon on Thursday expressed his disgust with certain individuals, some of them politicians, who use community pantries to undermine and sow hatred against the government.

Rep. Jesus Crispin "Boying" C. Remulla of Cavite's 7th District, in an interview with SMNI's "Sukatan" news program hosted by Mike Abe, said he has nothing against community pantries which reflects the Filipino culture of bayanihan spirit by helping others who are in need.

"Ang issue ng community pantry ay lumaki kasi yung mga actors na na-involve ay may mga political inclinations na ginagamit para sumbatan ang gobyerno at masamain ang estado sa gobyerno (The issue of community pantries became controversial because of some actors with political inclinations that use community pantries to blame the government and undermine it)," Remulla said.

He admitted, though, that what he did not like is several of these critics are from within the government and even his colleagues in the Lower House of Representatives.

On CNU-VSMC implementing Doktor Para sa Bayan Act

SENATE President Vicente Sotto III today said some deserving students who want to join the country's medical sector, especially those in the Visayas region, would soon get the chance to pursue their dreams of becoming doctors with the launching of the Doctor of Medicine program at the Cebu Normal University-Vicente Sotto Memorial Medical Center (CNU-VSMC) for the coming 2021-2022 academic year.

Sotto, principal author of the Doktor Para sa Bayan Act, said the Commission on Higher Education (CHED) en banc last May 11 gave the go signal to the CNU-VSMC College of Medicine Consortium to begin accepting students for the coming school year.

"Being the principal author of the Doktor Para sa Bayan Act, I am both elated and excited that my efforts and those of my colleagues in the Senate to increase the number of doctors in underserved areas are already bearing fruit. Nakakataba po ng puso na isipin na tayo ay nakatulong na mabigyan ng pagkakataon ang ating mga aspiring doctors na matupad na ang kanilang mga pangarap," Sotto said.

Sotto said the coronavirus disease (COVID-19) pandemic had exposed the weaknesses of the country's healthcare system, particularly the shortage of doctors in underserved areas and far-flung local governments. "Nakakalungkot pong isipin na marami pa ring lugar sa ating bansa ang walang mga doktor na titingin sa kalusugan ng ating mga kababayang may sakit. Sa pagsasabatas ng Doktor Para sa Bayan Act at sa pagbukas ng medical program sa CNU-VSMC, umaasa po tayo na mas madali nating makakamit ang ideal ratio na one doctor per barangay," Sotto said.

The Doktor Para sa Bayan Act (RA 11509) establishes a Medical Scholarship and Return Service program for deserving students in state universities and colleges, or in partner private higher education institutes in regions where no SUCs offer a medical course.

DOH-CALABARZON opens Cabuyao hemodialysis center for COVID patients

The Department of Health Region IV-A (DOH IV-A) recently opened a new facility for patients with kidney problems who tested positive for COVID-19.

Last May 19, Regional Director Eduardo Janairo led the opening of the Hemodialysis Center for Covid patients at the Cabuyao City Hospital in Barangay San Isidro.

With a total of 20 dialysis stations that can ammodate around 150 patients per day, the hemodialysis center is the first project established by DOH IV-A through a tripartite agreement between the city government of Cabuyao and NephroMed Asia Medical Group. "This hemodialysis center will cater solely for patients with kidney problems who tested positive for the coronavirus. Dito, ang mga pasyenteng positibo sa Covid virus ay tatanggapin at hindi tatanggihan na gaya ng ginagawa ng ibang hospital," Janairo said of the facility which the regional health office helped establish.

[This hemodialysis center will cater solely for patients with kidney problems who tested positive for the coronavirus. Here, patients who tested positive for the coronavirus will be accepted and not turned away like what other hospitals do.]

The region's top doctor assured that patients will receive the best services possible as the DOH IV-A facilitated the accreditation and License to Operate (LTO) for this project.

Aware of the treatment costs, Janairo assured that patients who will undergo dialysis need not worry about paying for their treatment.

"Sasagutin ng PhilHealth ang gastos at kung may kulang pa ay pupunan ito ng regional office through the medical assistance for indigents program. Kaya

CALAX Toll Operations...from p1

vin A. Carullo led the inspection team together with TRB Chief of Regulation Division Joz Carlos G. Ordillano, TRB Communication Head and Spokesperson Julius Corpuz, and Department of Transportation Representative for TRB BGen. Melquiades V. Ordiales, Jr., and TRB audit and inspectorate team.

The inspection covered the overall toll operations of CALAX's operational segment which spans from Mamplasan, Biñan to Santa Rosa-Tagaytay Road, the toll plazas including the safety and security features in place, such as the newly installed Emergency Call Boxes (ECBs) which motorists can use for immediate roadside assistance.

MPCALA team also introduced the barrierless entry coupled with Automatic License Plate Recognition (ALPR) system and RFID lanes, to give its motorists a smooth and convenient driving experience.

"Okay yung toll collection system ng CALAX. So far, isa na ito siguro sa mga pinaka-advanced na toll collection system na na-inspect namin. Ito siguro ay magiging model for toll collection systems in the Philippines," commended TRB Executive Director Atty. Carullo.

Likewise, the site inspection showed the already-built plaza structures for the Silang East Interchange of the Subsection 5 which is expected to operate by the 3rd quarter of 2021. TRB was also briefed with the developments of its upcoming toll collection system.

"As to the new segment in CALAX, hopefully we can open it na para sa kaginhawaan ng ating mga motorista. May gagawin pa, pero sa pagtutulungan ng CALAX Management at DPWH, with the assistance ng TRB, I am sure ma-open natin ang segment na ito within its timeline," added Carullo.

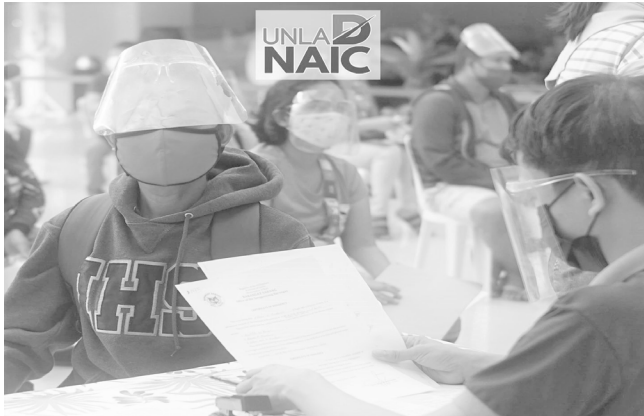

Meanwhile, MP-CALA President and General Manager, Robert V. Bontia is optimistic on their current collaboration with TRB to make their toll roads more efficient, safer, and convenient for motorists.

"We welcome the new chief of the Toll Regulatory Board Executive Di-

rector Atty. Alvin Carullo and wish him all the best. We are optimistic that as our regulator, win-win initiatives and new regulations for both operators and motorists will be reached," said Bontia.

CALAX is a 4-lane expressway that will soon connect the Manila-Cavite Expressway (Cavite) in Kawit, Cavite to the South Luzon Expressway (SLEX) at Greenfield (Mamplasan) Interchange in Biñan, Laguna which is seen to cut the travel time between Cavite and Laguna from 2 hours to under an hour. 113th Malasakit Center opens in San Pablo City, Laguna as Bong Go continues push for better health care access nationwide

In demonstration of the government's clear commitment to expanding health care and making access to it more convenient and affordable manner, especially for poor and indigent patients, Senator Christopher "Bong" Go personally attended the launch of the country's 113th Malasakit Center at the San Pablo City General Hospital (SPCGH) in San Pablo City, Laguna on Thursday, May 20.

The SPCGH is the 9th hospital in the CALABARZON region and second in the province to establish its own Malasakit Center, in addition to the Laguna Medical Center in Santa Cruz.

"Alam niyo, sa 23 years na pagtatrabaho ko kay Presidente Rodrigo Duterte, nakita ko ang kahalagahan ng serbisyong pangkalusugan. Lalo na nung mayor pa siya, ang dami kong nakitang hindi residente ng Davao na pumunta sa city hall para humingi ng tulong pampa-ospital. Doon ko nakita ang puso ng Pangulo para sa mga mahirap," Go began in a speech.

"Ang sabi ng Commission on Audit, bawal daw gamitin 'yung pera ng Davao City sa hindi residente nito, kaya alam niyo, binato niya sa akin 'yung mga hospital bills. Sabi niya 'Bong, maghanap ka ng paraan. Kung tatangi ako rito sa mga pasyente, hindi na ako uupo dito bilang mayor," he continued.

As Special Assistant to the President then, Go went on to pioneer the Malasakit Center program whose first branch opened at the Vicente Sotto Memorial Medical Center in Cebu City in 2018.

The center brought together under one roof the agencies from which particularly poor and indigent patients may conveniently seek medical assistance, namely the Department of Health, Department of Social Welfare and Development, Philippine Health Insurance Corporation, and Philippine Charity Sweepstakes Office.

Upon winning a seat in the Senate, Go authored and sponsored the passage of a measure to institutionalize the program. President Duterte signed Republic Act No. 11463, otherwise known as the Malasakit Centers Act of 2019, in December 2019.

"Wala nang dahilan para tanggihan natin ang ating mga pasyente. Target nito maging zero balance o mabawasan hanggang kaya ang babayaran ng ating mga kababayan. Pwede rin kayong lumapit sa representative ng DSWD dito kung kailangan niyo ng pangdagdag pambili ng gamot, pamasah o pagkain," he explained.

Continuing his speech, the Senator encouraged the public to continue being vigilant and cooperate with authorities to prevent the spread of COVID-19 so the country can stay on the path towards recovery.

He also urged them to get vaccinated in accordance with the prioritization order once given the opportunity, announcing that the government is preparing to open the vaccine program to the A4 priority group, which will cover millions of essential workers, as well as implement the program's succeeding phases to also cover indigents in the A5 category.

"Pakiusap, 'wag tayo maging kumpiyansa. Magtulungan at maging disiplinado tayo. Konting tiis lang, alam namin na hirap na hirap na kayo. Hirap din kami ni Pangulo pero kayo ang nagbibigay ng lakas sa amin para magtrabaho pa. Gusto sana ni Pangulo bumisita dito para makita at marinig kayo

Senator Christopher "Bong" Go tial Legal Counsel Salvador Panelo, Secretary Michael Lloyd Dino of the Office of the Presidential Assistant for the Visayas, Assistant Secretary Girlie Veloso of the Office of the President, Mayor Loretto Amante and Vice Mayor Justin Colago.

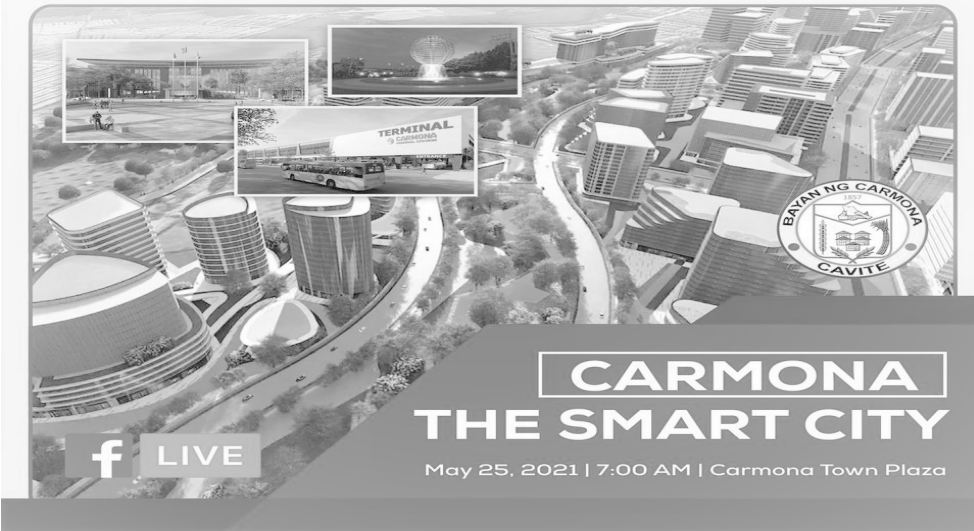

Go also recognized Councilors Angelita Yang, Karla Adajar, Carmela Acebedo, Diosdado Biglete, Martin Adriano, Plaridel dela Cruz, Elsie Pavico, Buhay

Espiritu, Napoleon Clatraba, and Dandi Medina; Liga ng Barangay President Ariston Amante; Sangguniang Kabataan Federation President Liberty Pamela; and SPCGH Chief of Hospital Dr. James Lee Ho.

Later that day, Go participated in a relief activity for over one thousand members of the local Tricycle Operators and Drivers' Association at the Don Manuel Rivera Memorial National High School in Pila. He also attended the groundbreaking ceremony of the new municipal hall building in the same town.

To help facilitate the development of the city's health sector, the Senator has supported the funding for the construction of the Calamba City Hospital as well as the procurement of additional ambulances for Calamba City and Barangay Macablang, Santa Rosa City.

DepEd TV wins SIGNIS Asia TV Conference Grand Prize

Highlighting the spirit of Bayanihan and the dedication to ensure learning continuity, the Department of Education (DepEd) TV bagged the Grand Prize for Outstanding Thematic Presentation in the recently concluded SIGNIS Asia TV Conference held in South Korea.

Titled Bridging over the Pandemic, the entry of DepEd TV was praised by the juries for demonstrating that educational content can be informative and entertaining for learners, parents, and teachers at the same time.

“The entire DepEd family is truly proud of the DepEd TV team for their relentless dedication and innovative efforts to support our learners. This award is the latest testament of the hard work they put in pursuit of learning continuity. We will continue to improve this ini-

tiative while exploring more platforms that can transform education and make it accessible for all,” Secretary Leonor Magtolis Briones shared.

The juries also commended the hard work of DepEd TV Teacher-Broadcasters on and off camera and recognized their passion, dedication, and resilience amidst the global health crisis.

“Our project was anchored on the mandate from Secretary Leonor Magtolis Briones that ‘Education must continue, no matter what.’ The project was buoyed by the spirit of Bayanihan and in the context of Catholic Social Teachings, the call to family and community to show solidarity by participating in the activities,” Undersecretary for Administration Alain Del Pascua explained. During the award-

ing ceremony, representatives from 11 countries, including the Philippines, shared their experiences and insights on serving Catholic communications on television and online amid the pandemic.

DepEd TV Lead Consultant Paolo Bediones received the award on behalf of the Department and presented to the conference a brief history of DepEd TV, the journey of the Teacher Broadcasters, and the lessons produced for the DepEd TV and DepEd Commons platforms.

SIGNIS Asia is one of the regional groupings of SIGNIS, the World Catholic Association for Communication. Its objective is to foster and coordinate communication activities in the regions of South Asia, South East Asia, and East Asia.

The Signis Asia citation is the latest among the

recognitions received by the Department for its DepEd TV initiative. Previously, the project was also recognized as Policymaker Edtech Champion Award and a finalist for the Crisis and Conflict Response Award, EdTech Leader in Asia Silver Awardee from EduTech Asia, shortlisted for Dedicated Teacher Awards 2021 by Cambridge University Press, among others.

DepEd TV and DepEd Commons are programs spearheaded by the Information and Communications Technology Service headed by Director Abram Y.C. Abanil, under the Administration Strand led by Undersecretary Pascua and Assistant Secretary Salvador Malana III. It is part of the Public Schools of the Future (PSOF) Framework of the Administration Strand under the leadership of Secretary Briones.

Use of pantries...from p1

“Gusto nila sirain pa ang imahe ng gobyerno sa taumbayan. Sino ba naman ang may gusto ng pandemic? Sino ang may gusto na maghirap ang tao? Wala naman may gusto niyan. Pero kailangan pa nila isisi sa ibang tao (They want to destroy the image of the government to our fellow Filipinos. Nobody wants this pandemic to happen, neither for the people to suffer. But they blame the government),” said Remulla, who is also Congress Senior Majority Leader.

While the concept of community pantries is essentially extending voluntary help, he lamented how some people make a grandstanding by bragging about it and project a lame government. “Pero bakit kailangan pa ipasikat sa mga tao na, ‘Uy tumutulong ako diyan’ ano ba naman yan?” Yung ginagawa nila, sinusumbatan nila ang gobyerno na ‘Kami tumutulong kami, ang gobyerno walang ginagawa (Why do they have to boast of the help they give through community pantries and criticize the government),” he added.

Fundraising
Remulla said community pantries have been used to solicit monetary donations abroad through videos showing how poor Filipinos are, and use these funds for political purposes.

“Sana nirereport nila yung mga nakukuha nilang donations. Pero inaangkin nila yan eh, ma pangtulong sa taumbayan kunwari. Ang masama niyan nanunumbat pa. Na parang sila lang ang magaling (They should report the money generated from donations but unfortunately proceeds do not go to the rightful recipients. What is worse is they criticize the government making appear that they are the better ones),” he added.

He said he will not allow these groups to reign with the ultimate goal of overthrow the government.

“Sumesweldo sila sa kongreso pero yung mga bitaw nila na salita para mapabagsak ang gobyerno, para mapasama sa mga tao (They receive salaries from Congress but their battle cry is to overthrow the government and cause sufferings on the people), Remulla added.

These critics, he said, are part of a broad coalition that oppresses the military and police, and businesses. They are the ones

who disrupt development projects especially in remote areas.

Biggest block

“Sila na nga ang nagpapahirap, sila pa ang nanunumbat (They who are punitive are the ones who throw their weight around),” he said. Wag na sila mananakot, mangaharag, manghingi ng lagay, manghilingi ng proteksyon. Sila ang pinakamalaking balakid sa pag-unlad ng ating Republika (They should not harass, threaten, block, demand protection [money]. They are the biggest block to progress and development).”

He added that it is easy to let the people know how these politicians in Congress block the country’s development and vowed that no amount of opposition will defend projects intended for the Barangay Development Program (BDP).

“Hindi mawawala yan (BDP budget). Gagawin natin ang lahat para makarating ang tulong sa pinaka-liblib na lugar sa Republika ng Pilipinas (That BDP budget will stay. We will do everything we can to bring the needed help to remote areas in the Philippines),” he assured.

The BDP is a hallmark program of the National Task Force to End Local Communist Armed Conflict (NTF -LCAC) with the end goal of bringing development to former conflict-prone communities.

It has identified 822 barangays nationwide that were former guerrilla fronts of the Communist Party of the Philippines – New People’s Army – National Democratic Front (CPP-NPA-NDF).

Of the PHP19 billion total budget of the NTF-ELCAC, PHP16 .4 billion is allotted for the development of 822 barangays cleared of insurgency.

He dared groups not to challenge his political will because he is used to fighting anything especially when the welfare of the country is at stake.

“Wag nilang susubukan ang bansa. Marami tayong nagtutulong upang itulak ang pag-unlad ng Republika (They should not challenge the country. Many are united in pushing for the development of the Republic),” Remulla said. source:(PNA)

himself and all the bishops of the Church.
During that time, Cardinal Jaime Sin of Manila and Cardinal Ricardo Vidal took official part of the solemn act of offering in the Vatican.
March 25 of that year was also the day that Vidal and 27 others were elevated to the College of Cardinals.
The bishops, during their 108th plenary assembly in January 2014, approved that the consecration to the Immaculate Heart Mary be renewed every year on her feast day in every diocese until the Jubilee Year of 2021.
This year, the feast day will be on June 12.
The national consecration will be led by Archbishop Romulo Valles, CBCP President, and will be live streamed from the Davao Cathedral at 9:45 a.m.
The Mass in honor of the Immaculate Heart of Mary will then follow at 10 a.m. in the different cathedrals and parish churches led by the National Shrine of Our Lady of Fatima in Valenzuela City.

Revilla sinusugan ang pagpapalawig ng tax amnesty

NAGHAIN ng co-sponsorship speech si Sen. Ramon Bong Revilla, Jr. upang susugan ang Senate Bill No. 2208 (Committee Report No. 256) o ang An act extending the estate tax amnesty and for other purposes, amending section 6 of Republic Act No. 11213, otherwise known as the 'Tax Amnesty Act'.

Sinabi ni Revilla na hindi naman umano lingid sa marami ang kasalukuyang sitwasyon ng pandemya na labis umano sinalanta ang ating kalusugan at kabu-hayan kabilang na ang paghihigpit ng pamahalaan na

huwag lumabas ng tahanan.

Binanggit pa ni Revilla na hindi na umano tayo nakausad mula sa community quarantine, work from home arrangements sa mga opisina, pahirapan sa transportasyon, takot na lumabas at mag-asikaso ng mga requirements dahil pa rin sa pagtaas ng kaso ng COVID-19.

Isinumite umano ni Revilla ang naturang panukala dahil sa marami sa ating mga kababayan ang hindi makatugon sa itinakdang tax amnesty kaya agad natining isinulong na mapalawig pa ito upang mabigyan ng

pagkakataon ang marami sa ating mga kababayan.

Ayon pa sa principal author nito na si Revilla, ang panukalang ito umano ay malaking tulong para sa ating mga kababayan na nabigong asikasuhin ang kanilang obligasyon sa pagbabayad ng buwis dahil sa kasalukuyang sitwasyon ng pandemya.

Idinagdag pa ng beteranong Senador na hindi lamang ang mga kababayan natin ang makakaranas ng ginhawa dahil maging ang pamahalaan natin ay magkakaroon pa ng pagkakataon na

DOLE at Silang LGU namahagi ng 30 Nego-Kart sa mga DOFWs

Since COVID-19 erupted across the country, one of our Overseas Filipino Workers (OFWs) has been extremely affected by it. Lost his job and chose to go back to the Philippines with nothing to hold.

Mayor Corie Poblete, Silang government and the cooperation of the Department of Labor and Employment, we were able to give 30 Nego-Kart to the Silanguenios OFWs. We also share them tools like fishball, oil, cooking utensils and 1 k for investment.

With our help in action, we can overcome all of this. Let's all take care and God bless you-Silanguenio!

LandBank loans reach P20B to 'rescue' MSMEs, co-ops

The Land Bank of the Philippines (LandBank) has approved loans totaling P20.07 billion as of April 30, 2021 to borrowers adversely affected by the ongoing COVID-19 pandemic, composed mostly of micro, small and medium enterprises (MSMEs) and cooperatives.

Through the I-RESCUE (Interim REhabilitation Support to Cushion Unfavorably affected Enterprises by COVID-19) Lending Program, LandBank provided support to a total of 434 borrowers comprised of 292 MSMEs, 81 co-operatives, 56 large corporations, and five (5) microfinance institutions (MFIs). Of the total P20.07 billion approved loans, P18.21 billion has already been released.

In April—or exactly a year after the program was launched in April 2020—the state-run Bank doubled the program fund of the I-RESCUE Lending Program to P20 billion from P10 billion to accommodate the increasing number of loan applications.

The loan facility aims to provide credit and loan restructuring assistance to pandemic-besieged businesses under more flexible terms and conditions, and will be available until December 31, 2022.

Under the LandBank I-RESCUE Lending Program, MSMEs, cooperatives, MFIs and large corporations may borrow up to 85 percent of their emergency or permanent working capital requirement. Terms are set at an affordable interest rate of 5 percent per annum for three (3) years, subject to annual re-pricing thereafter, and payable up to 10 years with a maximum of two (2) years grace period on the principal repayment.

The Program also offers a sub-credit facility for MSMEs and cooperatives, as well as self-employed individuals duly registered with the Department of Trade and Industry (DTI) and the Securities and Exchange Commission (SEC), who are severely affected by the ongoing health crisis. Qualified borrowers may borrow a minimum amount of P100,000 or up to 85 percent of the actual permanent working capital requirement but not exceeding P3 million, at a lower fixed interest rate of 3 percent per annum no hard collateral and payable for up to three (3) years.

Existing LandBank clients may also avail of loan restructuring under the Program via additional loan and extended repayment period to rehabilitate and restore their operational cash flow.

Interested borrowers may contact the nearest open LandBank Lending Center or Branch nationwide or call LandBank's customer service hotline at (02) 8-405-7000 or
