LACSON: Dealing with COVID-19 as a Nation

The Metro Manila "lockdown," "community quarantine," or whatever the authorities may call it, is one decisive action taken by the government that needs the support of our people, no matter the sacrifices or inconvenience it brings.

But then again, government must lose no time in coming up with practical but effective ways of implementing it to serve its real purpose for our country to survive this unprecedented crisis that we are facing.

For its part, the Department of Health's Inter-Agency Task Force (DOH-IATF) should issue clear, simple and concise guidelines on dealing with COVID-19 to prevent confusion among the public, as so many doctors and medical experts have been expressing different opinions on it, particularly on its transmission.

One example involves former DOH Sec. and now Iloilo Rep. Janette Garin being quoted as saying COVID-19 is infectious only when the patient is symptomatic, and that quarantine should be mandatory only for those who had direct contact with positive patient, on the one hand; and on the other, Chinese researchers reportedly confirmed a case of asymptomatic transmission where

Meanwhile, self-quarantine is not for oneself but for the sake of other people. Insisting to work or move around in spite of full knowledge of interaction with a possible COVID-19 carrier is not a laudable act. It is in fact damnable. Citizens must also do their part by practicing self-discipline and self-control against thoughtless acts such as hoarding and profiteering at the expense of fellow Filipinos. The Public Order & Safety Office under the city government including the barangay chairmen of the 54 barangays in the City was mandated by Mayor Chipeco to strictly enforce the provisions of EO 2020-21, An Order Implementing Strict Social Distancing to Control and Limit the Exposure to the COVID-19 in the City of Calamba.

He added that the order of President Rodrigo R. Duterte for an 'Enhanced Community Quarantine' over the island of Luzon starting 12:00 AM of March 17, 2020 until 12:00 AM of April 13, 2020 will be fully implemented in the City.

With the President's declaration on March 16, the public can expect: a strict home quarantine; suspension of mass transportation; regulation of the provision for food and essential health services; and implementation of heightened presence of uniformed personnel during an enhanced community quarantine, according to PCOO.

"We encourage everyone to stay home, keep updated by monitoring the news and announcement from the local government unit and national government," Chipeco posted in his official FB account. "And be healthy!" source:(CPGonzaga, PIA-4A)

ANTIPOLO CITY, Rizal Cainta to distribute 6,000 meal stubs

ANTIPOLO CITY, Rizal Cainta Mayor Johnielle Keith "Kit" Nieto will distribute 6,000 food stubs as a subsidy to residents affected by the Luzon-wide enhanced community quarantine.

Mayor Nieto targets to start the program on Thursday, March 19 in all barangays in Cainta.

The program will run for 30 days and may be adjusted as the need arises, the Mayor said.

He added that the meal subsidy was funded by the municipal government. The stubs will be distributed to the barangay chairs who will have the discretion and duty to allocate properly.

The Mayor emphasized that the program prioritizes those who are in need.

"Unahin na natin ang mga talagang natigil sa trabaho at walang source para sa pagkain kung hindi makakapasok. Yung medyo may stock, baka pwedeng ibalato na natin sa talagang wala," the mayor stated in his post.

The Sangguniang Bayan of Cainta has passed a resolution declaring the town under the state of calamity following President Rodrigo Duterte's declaration of the enhanced community quarantine due to the COVID-19 threat. (GG)

(IATF) Meeting for the Management of Emerging Infectious Diseases in the Philippines in Malacañang, and later on announced the imposition of stringent social distancing measures in the National Capital Region (NCR).

"It's a serious one. It is true. Huwag ninyong maliitin. Do not minimize it, I said, but do not kill yourself with worry because government is doing everything possible to make it at least controllable, but kung kayo po ay mag-cooperate," he said.

"But most of all, try to obey what government is suggesting or ordering you to do," he further said.

President Duterte then reminded Filipinos that in order to fend off the virus, everybody must have strong immune system by eating nutritious food and taking vitamins.

The Chief Executive likewise asked Filipinos to heed the advice of the Department of Health (DOH).

"So 'yung mga sinasabi na social distancing, sundin lang po ninyo. At 'yung mga ibinigay na well ahead ng Department of Health, sundin ho ninyo kung anong sinasabi ng mga doktor kasi sila po ang marunong niyan. It's only the medical people and medical experts who can help us. So listen to them," he said.

Aside from proper hand hygiene and cough etiquette, DOH has also listed social distancing — keeping a distance of at least three feet or one meter away from other people — as a personal preventive measure against COVID-19. source:PCOO/PND

BIR EXTENDS TAX FILING DEADLINE TO MAY 15

QUEZON CITY (PIA)--The Bureau of Internal Revenue (BIR) has extended the deadline for the filing of the 2019 annual Income Tax Returns (ITRs) by a month to May 15, 2020, but nonetheless appealed to those ready to file their ITRs on or before the original April 15 deadline to do so, in order to help the Duterte administration raise enough funds for the scaled-up national efforts to slow the spread of the novel coronavirus known as COVID-19.

According to a Revenue Memorandum Circular (RMC) dated March 18 and signed by BIR Commissioner Caesar Dulay, this one-month extension for income tax filing and payments has been granted without the imposition of penalties to taxpayers.

This emergency measure is being offered to provide relief to Filipino taxpayers who

will not be able to prepare, let alone file, the necessary ITR documents on or before the original annual deadline of April 15 because of skeletal workforce arrangements and enhanced community quarantine rules that the national government has implemented to contain the pandemic.

An unintended result of the deadline extension is an estimated delay and shortfall in tax collections of around P145 billion, which may have to be covered by additional borrowings by the national government.

The government is thus appealing to those who are able to file within the deadline or even as early as now to do so through mechanisms that have been made available by the BIR, including online filing and payment platforms.

These tax payments are crucial for the government to fund extremely urgent so-

cial protection and emergency health measures meant to effectively combat COVID-19 as well as to sustain state investments needed to help Filipino families regain stable and reliable sources of income at the soonest possible time.

There are more than 100 days between the start of the year and the original tax filing deadline of April 15 to prepare tax filing materials.

Some taxpayers have prepared for this early. Those who are or will soon be ready are requested to file and contribute to the government’s efforts to fight COVID-19 and stimulate economic activity amid a possible growth slowdown.

On behalf of the Filipino people, the Duterte administration expresses its gratitude to those who will perform their patriotic duty.

In a previous revenue memorandum circular, the BIR had announced that

taxpayers who are enrolled in the Electronic Filing and Payment System (EFPS) may settle their tax liabilities with the respective Authorized Agent Banks (AABs) where they are enrolled, while the following payment options are available for those who shall file their AITR through the EBIRForm Facility:

1. Over-the-Counter (OTC) payment through AABs;

2. Revenue Collection Offices (RCOs) in areas where there are no AABs;

3. Electronic/online payment through: Land Bank of the Philippines’ (LBP) Link.Ziz Portal (for taxpayers who have an ATM account with LBP, holders of Bancnet ATM/Debit/Prepaid Cards or taxpayers utilizing the Pe-soNet facility, such as depositors of RCBC and Robinsons Bank); Development Bank of the Philippines’ (DBP) Pay Tax Online (for holders of Visa/Mastercard Credit Cards and/or Bancnet ATM/Debit Cards); Union Bank Online Web and Mobile Phone Payment Facility (for taxpayers who have an account with Union Bank of the Philippines); and Mobile Payment (GCash/Paymaya).
