

The City Government of Bacoor encouraged Bacooreños to keep their surroundings clean through its Linis Kalikasan Masaganang Kapaligiran program. The campaign took off last Friday at several barangays including Mabolo 1, 2, 3 and Panapaan 2, 3, 4. City Mayor Lani Mercado Revilla encouraged all Bacooreños to do their part in the city's quest for a clean environment.

IMUS CITY TO OPEN 3 WEEKENDS FOR TAX PAYMENTS

MAYOR MALIKSI

IMUS CITY, Cavite -- The city government of Imus will accommodate business and realty tax payments during the next three weekends.

In an advisory issued last Tuesday, City Mayor Emmanuel Maliksi also reminded business owners to pay their taxes, permits renewal,

and other regulatory fees before the deadline on January 20 to avoid interest charges for late payments.

Maliksi said the City

Treasurer's Office will be open to the public from 9 a.m. to 4 p.m. on January 12-13, 19-20, and 26-27.

New P2P route in Cavite benefits Noveleta & neighboring town residents

Another P2P route in the province was recently opened to give relief to commuting residents of Noveleta and neighboring towns of Salinas, Kawit, Cavite City and Tanza.

Seven yellow buses of San Agustin Transport Service Corp. will ply the route of Noveleta – Makati from its terminal at Puregold Noveleta.

Noveleta Mayor Dino Reyes Chua happily announced this development saying that "the new P2P route will bring much-needed relief for Noveleta commuters.

"This is the answer to the daily agonies of Caviteño commuters, especially the Noveleteños. This will not only benefit people from Noveleta, but also the nearby towns of

SENATE CORNER

NANCY TO DOTr,
LTFRB: WHAT
HAPPENED
TO ‘PANTAWID
PASADA’?*...says fuel subsidy missed reaching target beneficiaries*

Senator Nancy Binay took to task the transportation department over its slow distribution of the “Pantawid Pasada” aid program, which was meant to mitigate the impact of fuel price increases on jeepney drivers and operators.

According to Binay, the slow distribution, coupled with the fuel price hike and the effect of the second round of excise tax increase this January, is already hurting the pockets of those in the public transport sector.

“Patuloy pong umaaray ang mga kasama nating jeepney driver at operators dahil sa muling pagtaas ng presyo ng petrolyo, kung kaya’t kailangan nating tanungin ang DOTr at LTFRB kung kamusta na ang distribution nila ng ayuda,” Binay said.

During the hearings for the proposed 2019 budget of the transportation department last December, it was found out that only 69,000 beneficiaries have received their cards, out of 171,000 intended recipients.

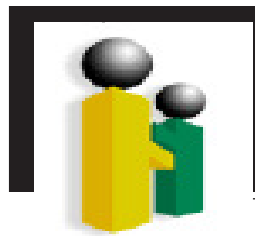

“Jeepney drivers and operators take the brunt of the impact of these increases, lalo ngayong ibinalik sa P9.00 ang minimum fare,” Binay said.

Under the social mitigating measures of the tax reform law, jeepney drivers and operators can get a fuel subsidy worth P20,000 this year. Last year, recipients of the “Pantawid Pasada” program received a P5,000 fuel subsidy.

“Baka we’ll call another hearing to get an update kung close to 100% na yung kanilang distribution for this Pasada assistance to our jeepney drivers,” she added.

Binay also called on the LTFRB to strictly monitor the cards’ usage, noting that some drivers complained of not getting the subsidy from their operators, or the subsidy

UPDATE

Health coverage for
migrants of ASEAN
Member States

WITH ‘Migrant Health’ being identified as one of the 20 priorities under the ASEAN Post-2015 Health Development Agenda, the Philippine Health Insurance Corporation (PhilHealth) in collaboration with the Department of Health recently held a three-day Workshop on the Development of ASEAN Guidelines on Health Coverage for Documented Migrants including Migrant Workers and Special Populations (Mother and Child) at Dusit Thani Hotel in Makati City.

The event served as a venue for experts on migration and health from ASEAN Member States (AMS) to take stock of the recent developments and updates on various policies, commitments, efforts and initiatives in the field of migration and health; conduct assessment and situational analysis of health coverage among documented migrants in the ASEAN region including migrant workers and a special population (mother and child); and to dialogue with other stakeholders on current health issues being faced by documented migrants.

The project builds on

the previous work of the AMS focusing on the development of the said guidelines. An initial workshop on Migrant Health was held last June 2012 in Bogor, Indonesia, where a draft terms of reference on the

DOH, PSH converge to promote NCD
prevention in Calabarzon

By Joy Gabrido

CALAMBA CITY, Laguna. – The Department of Health (DOH) Calabarzon and the Philippine Society of Hypertension (PSH) joined forces in leading the Philippine Package Essential Non-Communicable Disease (NCDs) Interventions (Phil PEN) Summit held at the Taal Vista Hotel, Tagaytay City last Friday, January 11.

The DOH and PSH converged to promote prevention of NCDs as risk factors to cardiovascular diseases through the Phil PEN Summit.

PSH members, doctors, provincial and municipal health executives, and Barangay Health Workers (BHWs), among others, from around the

Deadline of nominations for 2019
Metrobank Foundation Outstanding
Filipinos extended until Jan. 31

The Metrobank Foundation, Inc. (MBFI), in collaboration with the Department of Education (DepEd), announced the extension of nominations for the 2019 Metrobank Foundation Outstanding Filipinos – Award for Teachers until January 31.

The search is open to all Filipino educators teaching in the elementary level, including kindergarten level, provided it is part of the integrated curriculum or part of an elementary school system; and secondary or tertiary level, including graduate school and alternative learning system. Teacher-nominees must also have full-time or permanent appointment and with full teaching load.

Four teachers will join three soldiers and three police officers to comprise this year’s Metrobank Foundation Outstanding Filipinos. Each awardee shall receive a medal, trophy, and a cash incentive of P1 million, part of which will be allocated to the faculty development project, subject to the approved proposal of the endorsing school. Each of the national finalists will receive P50,000.

Nominations must come from any of the following: school principals, teachers-in-charge (TICs), or district/division/regional

supervisors. The detailed guidelines are accessible through DepEd Memorandum No. 184, series of 2018, or the 2019 Metrobank Foundation Outstanding Filipinos–Award for Teachers, which is available online at <http://www.deped.gov.ph/>.

Interested parties may also access the nomination form at <http://bit.ly/OFAward>, or download it through the MBFI Facebook page and website at www.facebook.com/mbfi.outstandingfilipinos, and <http://www.mbfoundation.org.ph/outstanding-filipinos>, respectively.

The search is also conducted in close coordination with the Commission on Higher Education (CHED); Rotary Clubs of Makati Metro and New Manila East; Armed Forces of the Philippines (AFP);

to address the problem by assessing the behaviors that can cause or worsen and finding ways to manage these diseases.

Dr. Deborah Ignacia D. Ona, PSH Secretary and UP-PGH Clinical Associate Professor, tackled the guidelines on Hypertension; while, Dr. Carmela N. Granada of the DOH Lifestyle-related Disease Division talked about the integrated and public health approach to Hypertension and Diabetes in a low-resource setting of primary health care.

“It is gladdening that we’re here together for this is how to do it, this is how we should make things happen for the health system, not for the Department of Health, but for the Health System,” DOH Calabarzon Regional Director, Dr. Eduardo C. Janairo said.

He added that the public and private health sector must go together like this and see how to make things new and different in order to succeed this time.

“Our population continue to be exposed to the behavioral risk factors that may cause heart diseases. People of the working age are especially affected which is a serious risk to the economic potentials of this country.”

He explained that the strategies of the government in addressing this challenge is currently embedded in the newest FOURmula One Plus strategy of the Department, also known as F1 Plus, which is seen to boost the Universal Health Care by ensuring the accessibility of essential quality health products and services at appropriate levels of care.

“The DOH’s mission is to lead the country in the development of a productive, resilient, equitable and people-centered health system.”

He pointed out that this is in context of achieving better health outcome, more responsive health system, and more equitable healthcare financing.

In result, it is seen to strengthen five strategies in the areas of financing, service delivery, regulation, governance, and the Plus of the FOURmula One Plus which is performance accountability.

The cooperation, he said, of different sectors is vital in achieving greater progress in addressing cardiovascular diseases, since NCDs are driven both by health and non-health variables that the health sector cannot adequately prevent and control on its own.

“Multisectoral approach is required to establish enabling environment in the communities so that healthy choices become the more attractive choices.”

To better address the NCD situation particularly in the region, DOH Calabarzon is set to fund and conduct surveys in the five provinces of the region to identify the five-year trend of NCDs in the area.

SCs and PWDs in Cavite relieved from payment of parking fees

PROVINCE OF CAVITE– The Provincial Government of Cavite headed by Governor Jesus Crispin Remulla recently approved a new ordinance relieving all senior citizens (SCs) and persons with disabilities (PWDs) who are residents of the province from paying parking fees charged by business establishments like malls, restaurants, pay parking areas and private hospitals in the province.

The said ordinance which has been implemented before the end of 2018 is the Provincial Ordinance No. 235 otherwise known as “Free Parking Ordinance for Senior Citizens and Persons with

Disability of the Province of Cavite.”

The ordinance applies to drivers or passengers of private vehicles only who need to present their SC or PWD identification cards to the cashiers of the parking area to avail of said privilege.

The privilege does not apply to public transportation like jeepneys (PUJ), tricycles,

buses, and taxis and also with overnight parking.

The ordinance states that establishments who will not allow this privilege will be penalized with PHP2,000.00 fine which shall be imposed against the operator, manager and/or owner of the said parking space while the cashier or booth attendant violating this ordinance shall be fined

PHP500.00.

This ordinance was authored/sponsored by Provincial Board Member Valeriano S. Encabo in support of the administration’s advocacy to somehow alleviate the burdens of the senior citizens and persons with disabilities. source:(Ruel Francisco, PIA-Cavite/with reports from Gladys Pino)

ALL OUT IN ADDRESSING THE CONCERNS OF CAVITEÑOS

In its firm resolve to serve the majority of Caviteños in their respective localities, the provincial government continuously brings programs aimed to address the needs and concerns of constituents around the province. Last January 18, 2019, Governor Jonvic Remulla visited Cavite City where he led the distribution of a total of seventy-six (76) bokyo on behalf of Governor Boying Remulla to the different barangays in a simple turn-over program held at Samonte Park. The patrol vehicles will be used to easily respond to emergencies and intensify the peace and order around the locality. Present during the event were Cavite City Mayor Bernardo “Totie” Paredes and other local officials. In the afternoon, another leg of Ugnayan sa Barangay was conducted at San Esteban Covered Court in the City of Dasmariñas. Governor Jonvic Remulla also led the event where he was joined by 4th District Board Member Teofilo Lara and city councilors who also expressed their deepest commitment to serve and provide worthy programs for the residents.
