MANILA – The Commission on Elections (Comelec) on Wednesday approved the extension of voter registration for more than two weeks from October 11 to 30.

Comelec spokesperson James Jimenez said the extended voter registration would be held from Monday to Friday during office hours.

"Extension is from October 11 to 30; Mon-Friday, no Saturdays, except for the last day (Oct. 30), 8 a.m. - 5 p.m.," he said in a statement.

For this period, all services will be offered such

as reactivation and registration for new voters and reactivation.

In August, the poll body suspended voter registration in the National Capital Region after it was placed under the strictest enhanced community quarantine.

At the time, Comelec offices in the region were also closed.

The voter registration was supposed to end on September 30 but due to clamor from various groups and some lawmakers, the Comelec extended the deadline.

While most of the registration will be car-

ried out in Comelec offices, Jimenez said registration in malls would continue.

The registration for overseas voters has also been extended for two weeks, from October 1 to 14.

Isa ka ba sa mahigit isang milyong college students sa Calabarzon na nabigyan ng tulong sa pamamagitan ng Republic Act No. 10931, o ang Universal Access to Quality Tertiary Education Act?

Dahil sa batas na ito na nilagdaan ni Pangulong Rodrigo Duterte noong Agosto 3, 2017, libre na ang matrikula at hindi na kinakailangang magbayad pa ng miscellaneous fees ang mga mag-aaral sa mga state universities and colleges (SUCs). Isa lamang ang Free Tuition Law sa mga programa ng pamahalaan na layong makapagbigay ng dekalidad na edukasyon para sa mga Pilipino.

Zubiri Applauds  
COMELEC Decision to  
Extend Registration

On Wednesday, Sept 29 Commission on Elections Chairman Sheriff Abas announced that they would be extending the voter registration period by three weeks, from 09 October 2021 to 31 October 2021. This announcement comes after the Senate and the House of Representatives ratified a bill extending the voter registration period.

"We thank Chairman Abas and the COMELEC for hearing the call not just of Congress, but of our people," said Senate Majority Leader Juan Miguel Zubiri, author and sponsor of the Senate version of the bill. "Judging by the packed lines at our

registration sites, talagang gusto po ng maraming Pilipino na makaboto, and they deserve the chance to do so."

The bill extends the voter registration period for thirty days after the effectivity of the act, while COMELEC's announced three-week extension will start only after the period for filing of certificates of candidacy, which lasts from 01 to 08 October 2021.

"We're very happy with this decision. Ang laki ng magagawang nitong extension for our democratic process. And I really hope our people take advantage of these extra three weeks, to get out, register, and eventually vote."

## City of Baguio Boosts PhilHealth-CAR's Claims Processing Through Student Employment Program

The City of Baguio led by Mayor Benjamin Magalong has extended assistance to PhilHealth Regional Office-CAR (PRO-CAR) by assigning underprivileged but deserving students including out-of-school youths under its Special Program for the Employment of Students (SPES) to assist in the processing of claims submitted by accredited health care providers in the Cordillera Region.

Since July of this year, PhilHealth CAR already welcomed two batches of nine student apprentices assigned to provide clerical assistance in processing voluminous claims.

Reporting daily from Monday to Friday,

the students are supervised as they perform simple encoding, sorting, tagging and filing of claim documents. Their services are being compensated by the Department of Labor and Employment (DOLE) and the City Government of Baguio.

Pursuant to pertinent data privacy laws and regulations, the student apprentices were asked to sign a Non-Disclosure Agreement (NDA) with PRO-CAR to ensure that sensitive information about the members and providers are duly protected. Also in line with health protocols being implemented in the offices, only apprentices 18 years old and above are allowed, while their supervisors made sure

that they strictly abide by health guidelines and protocols to ensure safety at work.

Introduced to a full office set-up and empowered sans access to PhilHealth Systems, the 25-day duty of each student apprentice provides them with exposure to real-life office environment, giving them a glimpse of how PhilHealth processes claims reimbursements in particular, and how millions of members benefit from the National Health Insurance Program through health insurance payments. Such an opportunity to work at the premiere social health insurance institution is seen to further inspire them to pursue a career in public service. PhilHealth-CAR's

engagement with the City Government of Baguio is expected to be a continuing partnership to fast track claims processing which of late was affected by the ongoing pandemic. Acting Regional Vice President Dr. Dominga A. Gadgad said that the additional workforce performing as Administrative Aides would redound to the expeditious settlement of claims. Currently, PRO-CAR's Health Care Delivery Management Division is composed of 30 personnel who are working in full swing to address the high volume of claims received on a daily basis. At an average, the office receives around 1,500 to 2,000 claims every day. ###

After the death of Cadet Magsayo in Silang...

Maj. Gen. Alex Sampaga as new  
director of the PNP Academy

MANILA – Philippine National Police (PNP) chief Gen. Guillermo Eleazar has designated Maj. Gen. Alex Sampaga as the new director of the PNP Academy (PNPA) following the death of another cadet.

The appointment of Sampaga, who replaces Maj. Gen. Rhoderick Armamento, takes effect Sept. 29. Armamento takes over the post vacated by Sampaga as director of the PNP Directorate for Information and Communications Technology.

"As a PNPA alumnus himself, I expect Maj. Gen. Sampaga to bring in innovative ideas and fresh perspective that would effectively implement the necessary adjustments in further improving the institution for each cadet to live up to its core values of Justice, Integrity and Service," Eleazar said in a video message Monday.

The top cop personally visited Sunday in the wake of PNPA cadet George Karl Magsayo, who reportedly died of hazing-related injuries, at the PNPA compound in Silang, Cavite.

"I am disheartened that the very institution which he considered as a second home and fully trusted for protection, for learning, and for honing of skills to be an officer of the law in the future had failed him," Eleazar said. "This method of inflicting physical pain and other twisted concepts of instituting discipline and imposing punishment on cadets must stop, and it starts now."

## Review of PNPA policies 'pushed' after cadet's death

Eleazar said a criminal case would be filed against Cadet 2nd Class Steven Ceasar Maingat on Monday in connection with the death of Magsayo. A separate administrative case would be filed against Maingat, which Eleazar said would assure his dismissal from the PNPA.

Cadets are warned that misbehavior and "serious breach of discipline and moral values" will never be tolerated.

"Hindi sa sakitan at sa bugbugan nahuhubog ang pagkatao ng isang kadete o kahit ninuman kung hindi sa magagandang aral, matalinong palitan ng ideya at tamang pagpapasunod ng kabutihang asal (It is not through physical punishment and beating that the character of a cadet or anyone else is molded but through good teachings, wise exchange of ideas and proper adherence to good manners)," Eleazar said. test among drivers

**Public transport drivers in Kawit, Cavite could get tested for COVID-19 at no cost as the local government ramps up its testing efforts for frontliners.**

By: Archie Villaflores/Press release

The local government of Kawit will hold free drive-through COVID-19 testing for drivers of tricycle and other public utility vehicles starting on Tuesday, September 28.

In a Facebook post, Mayor Angelo Aguinaldo announced the initiative will be carried out in the municipal hall loop from 9 am to 3 pm.

The mayor also said at least 500 persons per day could avail the free coronavirus testing, which will soon be expanded to cover other high priority sectors. "Isusunod po natin

Mayor Angelo Aguinaldo

ang ating mga guro, market vendors, at iba pang Kawiteño na lumalabas ng bahay para maghanap-buhay. Ito po ang ating tulong sa mga kababayan nating trabahante lalo na sa mga nangangailangan ng COVID-19 test," he said.

Moreover, Aguineldo explained the testing was intentionally made to be drive-through to prevent overcrowding at the site and immediately isolate those who will test positive for the virus.

He added: "Kung kayo po ay walang sasakyan, maaari rin po kayong umarkila ng tricycle. Kaya magpa-rehistro na po kayo at antayin ang abiso para sa inyong schedule."

As of September 16, Kawit has a total of 2,121 coronavirus cases, with 255 active cases, 66 deaths, and 1,800 recoveries.

Children with comorbidities  
to kick off pediatric vaccination

Pediatric vaccination of children ages 12 to 17 years old will begin with children with comorbidities, according to the Department of Health (DOH) and the Palace advised everyone to wait for the guidelines on this to be released.

Presidential Spokesperson Secretary Harry Roque Jr. said children with comorbidities will belong to Priority Group A3, and their vaccination would require informed consent from parents or guardians and the vaccinee.

"Kailangan ding masiguro na may equitable access sa medical clearance ng doktor ang mga bata na merong comorbidities," said Secretary Roque in a press briefing on September 30, 2021.

The Palace official also said that the government will make sure of

the availability and supply of Pfizer and Moderna vaccines, which were given the Emergency Use Authorization by the Philippines' Food and Drug Administration for use in children ages 12 to 17 years old.

The pediatric vaccination and the vaccination of the general population, which are set to begin in October, are expected to increase even more the number of Filipinos getting jabbed with a COVID-19 vaccine.

As of the September 29, 2021 data from the National COVID-19 Vaccination Dashboard, a total of 45,147,577 vaccine doses have been administered nationwide, while there are now 21,103,317 who are fully vaccinated.

For Metro Manila, 15,634,542 vaccine doses have already been admin-

istered, and there are now 7,208,552 fully vaccinated individuals or 73.73 percent as of September 29, 2021.

Meanwhile, Roque mentioned of the arrival today, September 30, of 1,233,300 doses of the Moderna vaccine that were procured by the national government and the private sector, and the delivery last night, September 29, of 391,950 doses of the Pfizer vaccine.

"At sa unang araw ng Oktubre, may inaasahan tayong darating na 883,350 doses ng Pfizer mula COVAX at dalawa't kalahating milyon (2.5-M) doses naman po ng Sinovac," said Roque.

On another matter, National Economic Development Authority (NEDA) Secretary Karl Kendrick Chua said economic growth is beginning to recover with

MANILA – Aspiring lawyers would have to wait some more after the Supreme Court (SC) moved the Bar examinations from November to January next year due to the health crisis.

It will be the first Bar exams to be held in multiple sites after the SC approved the 24 testing venues in August.

The four-Sunday exams were canceled last year due to the pandemic.

Bar Bulletin No. 28 released on Tuesday stated the SC “decided to reset the Bar Examinations from November 2021 to January 16, 23, 30, and February 6, 2022”.

Associate Justice Marvic Leonen, the Bar examinations chair, said the SC arrived at the decision “after considering the Covid-19 situation nationally, and in all testing sites, as well as receiving advice from various experts”.
