

COVID-19 REINFECTION INCIDENTS INCREASES- TANZA RHU

TRECE MARTIRES CITY, Cavite Feb 7 (PIA) -- The Rural Health Unit of the municipality of Tanza reported an increase in incidents of reinfection of the COVID-19 cases recorded recently.

According to the latest data from the RHU, there were six (6) reinfections recorded this week in which four (4) are health workers, one (1) PNP personnel, and one (1) lock-up case. Last week, there were three (3) patients who were found positive of the COVID-19, they were previously been reported among the confirmed cases in the municipality.

Municipal Health Officer Dr. Ruth Punzalan stated in an interview last week that recovering from the disease does not make one immune from infection. RHU officials were alarmed with the developments of an increase in the number of reinfections.

"Tayo po ay tal-

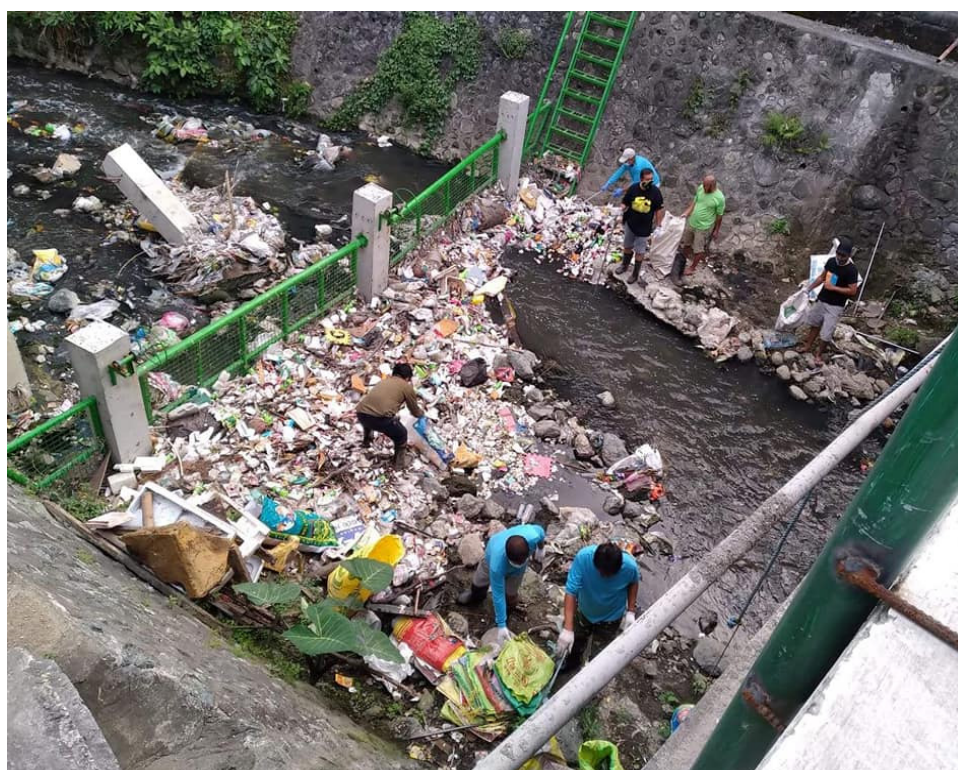

agang... seryosohin natin itong preventive precaution na 'to. Isipin po natin lahat na ang ating kaharap ay may dalang COVID-19 virus," Dr. Punzalan reiterated.

(Let's really take this preventive precaution seriously. Let us all think that all people we meet are carriers of the COVID-19 virus.)

Data collected from contact tracing showed that 50% of transmissions came from the workplace, those who travel, and exposure to close contacts of positive patients with most of the positive cases are asymptomatic which makes them more dangerous because they do not have any idea that they are infective

Senador Pacquiao namigay ng ayuda sa mga senior citizens; mga OFWs hiniling na unahin sa bakuna laban sa Covid-19

Walang mapagsidlan ng kasiyahan ang mga residente ng Quezon City nang sila ay bisitahin noong Huwebes, ika-4 ng Pebrero ni Senador Manny Pacquiao.

Bukod sa nakita nila ng personal ang Pambansang Kamao, nakatanggap din ng walong kilong bigas, mga groceries, medicine kits at Chooks-to-Go chicken ang mahigit isanlibong senior citizens at iba pang residente sa Brgy. Commonwealth, Quezon City.

Personal ding inabutan ng senador ng tig-iisang libong pisong cash gift ang mga dumalo sa kanyang gift giving activity sa Manuel L. Quezon Elementary School, partikular na ang mga matatanda at mahihirap na pamilyang lubos na naapektuhan ng pandemya.

Naisagawa naman nang maayos at may sapat na safety protocols at social distancing ang pamimigay ng ayuda.

Sa aming panayam matapos ang gift-giving, nanawagan si Senador Pacquaio sa pamahalaan na isama ang mga Overseas Filipino Workers (OFWs)

GenTri ordinance waives tricycle franchise renewal fee to aid TODA members

GENERAL TRI-AS, Cavite (PIA) -- The Sangguniang Panglungsod here recently passed an ordinance waiving the tricycle franchise renewal fee of P700 for year 2021.

City Councilors Isagani L. Culanding and Florencio D. Ayos of the Committee on Transportation and Ways and Means authored the ordinance to benefit thousands of tricycle driver members of the TODA.

"All they have to do is to go to the City Hall grounds and queue for re-registration for tricycle franchise renewal para po sa maayos na pagkakabit ng new sticker," Councilor Gani Culanding said.

During the height of the pandemic last year, the transport sector is one of the most paralyzed sectors due to the restriction in the movement of the people and prevent the further spread of the virus in accordance to IATF measures.

Despite the ongoing crisis, transportation had slowly resumed with the establishment of protocols for the operation of the tricycles being the first ones allowed to transport APOR (Authorized Persons Outside of Residence) within the locality for essential purposes of marketing, purchase of medicines, medical

Mayor Antonio 'Ony' Ferrer

and financial transactions.

In some cities, tricycle drivers were partnered with delivery companies like Foodpanda, Grabfood, Lalamove, and other movers to give them additional livelihood since income from tricycle operations at 50% capacity would not suffice for their family's daily expenses.

However, the City Government here headed by Mayor Antonio 'Ony' Ferrer with the able support of Congressman Luis 'Jon-jon' Ferrer had been supportive to the members of the transport sector with the regular distribution of relief packs and granting of financial assistance.

The local chief executive also declared in an interview before the year 2020 ended that the city government will include jeepney and tricycle drivers in its free COVID-19 vaccination program since they are frontliners as well. (Ruel Francisco with reports from Dennis Abrina)
