

# PuroKalusugan program launches in Brgy. Cabuco

On March 18, 2025, the Department of Health IV-A, in collaboration with the Office of the Provincial Health Officer (OPHO) and the Trece Martires City Health Office (TMCHO), officially launched the PuroKalusugan program in Barangay Cabuco, Trece Martires City. The initiative aims to provide essential healthcare services directly to residents of barangays or "puroks" throughout the country.

The PuroKalusugan program is part of the Department of Health's broader effort to improve access to vital healthcare services for

communities that may otherwise have limited access to these resources. A key component of the department's Eight-Point Action Agenda, the program prioritizes several critical areas of health including vaccination, nutrition, water sanitation, maternal health, tuberculosis (TB) prevention, HIV screening, and non-communicable disease prevention.

By addressing these eight focal points, the program strives to reduce health disparities and foster the well-being of underserved communities across the Philippines. One of the core goals is to ensure that

# PBBM'S DIRECTIVE OF UNHAMPERED SERVICES; PHILHEALTH LIFTS 45-DAY BENEFIT LIMIT

Acting President and CEO Dr. Edwin M. Mercado demonstrates once more PhilHealth’s commitment to follow through on the directive of President Ferdinand “Bongbong” R. Marcos Jr. of making sure “services of PhilHealth remain unhampered” through the lifting of the 45-day benefit limit.

ing payment mechanism, napapanahon na rin talagang repormahin ito. We cannot always predict or schedule our medical needs. Marami ring mga serbisyo ang kinakailangan ng higit sa 45 days na coverage. Kaya naman nagpapasalamat tayo sa PhilHealth Board for approving this policy update,” explained Dr. Mercado.

PhilHealth has previously recognized the need to cover for more than 45 days for certain conditions. Hence, the extension of the number of sessions covered

by our hemodialysis packages – from the initial 90 to the current 156 sessions. The social health insurance is now extending this realization with the lifting of the 45-day benefit limit.

“Nais natin na ang mga Pilipinong may malulubhang sakit, chronic conditions, o di kaya’y nangangailangan ng mahaba-habang pagpapaospital ay patuloy na makatanggap ng serbisyong pangkalusugan nang hindi pa nag-aalala kung sila ba ay mababaon sa utang,” added Dr. Mercado.

PhilHealth reminds that the availment of benefits must be based on proper medical indication, necessity, and alignment with the patient’s treatment plan, and must adhere to widely-accepted standards of care, Department of Health (DOH)-approved Clinical Practice Guidelines (CPGs), and/or PhilHealth Circulars on quality standards.

To ensure the responsible and effective implementation of this policy, PhilHealth will closely monitor patient admissions, re-

admissions, and benefit utilization exceeding 45 days. Health facility compliance with clinical standards and reimbursement rules will be rigorously assessed through the Health Care Providers Performance Assessment System (HCPPAS).

Health facilities are also enjoined to implement comprehensive organization-wide policies focused on quality and performance improvement. This will be critical in PhilHealth’s focus to incentivize services that lead to the best outcomes.

“Layon natin na ang bawat serbisyong sinusuportahan ng PhilHealth ay tunay na nagdudulot ng katiwasayan sa myembro. Ginagawa naman na ito ng ating mga ospital — ako rin, bilang hospital administrator noon, ay pinagtuunan namin ng pansin ang pag-momonitor ng outcomes. Ngunit, ang gusto natin ngayon ay unti-unti mag-transition ang PhilHealth to value-based financing,” said Dr. Mercado.

# Las Piñas general hospital, satellite trauma center now open

MANILA, (PIA) — Good news! A major step towards improving quality healthcare services in the south of Metro Manila is now open.

The Department of Public Works and Highways recently opened the 12-storey Las Piñas General Hospital and Satellite Trauma Center.

DPWH National Capital Region, and Las Piñas Muntinlupa District Engineering Office, in partnership with the Department of Health, and support of Senator Cynthia A. Villar delivered the highly benefi-

cial project on time. Senator Villar, Health Assistant Secretary Ariel Valencia, DPWH-NCR Regional Director Loreta Malaluan, and other officials led the inauguration ceremony of the new hospital along Diego Cera Avenue.

From the previous 200-bed capacity, the new hospital now has a bed capacity of 500, catering to more outpatient and resident patients in Las Piñas City.

According to DPWH-NCR, the building’s exterior

retained its historic design, while its interiors are modernized

with multi-functional rooms such as isolation wards, pediatrics,

internal medicine, hemodialysis clinics, and out-patient department (OPD).

In his message, DPWH Secretary Ma-

nuel M. Bonoan promised that the department will undertake more health infrastructure facilities that are accessible, and cater to all. (JEG/PIA-NCR)

## Nakalimutan na ba?

Nitong nakalipas na Marso 5, 2025 (Miyerkules) ay Ash Wednesday, at simula na ng 40 araw na Lent Season.

Subalit lumipas ang araw na to na parang wala lang, isang ordinaryong araw na ang mga tao ay nakatutok sa kanilang trabaho at iba’t ibang mga gawain; ang mga pulitiko ay todo sa pangangampanya.

Ayon kay Fr. Jerome ng Archidioce of Manila, ang Lent season ay nagsisilbing isang panawagan sa mga Katoliko upang pagtibayin at patatagin ang relasyon sa Panginoong Diyos, magsagawa ng isang malalimang pag-aanalisa o reflection sa ating mga sarili manalangin at magsakripisyo.

Ang Panginoon Diyos ang may likha sa ating lahat na tao at sa buong daigdig, at ang ating tinatamasa ay kaloob Niya. Napakabuti, Mapagpatawad, mapagbigay, isinakripisyo ang Diyos Anak na namatay sa krus para tubusin ang tao sa mga kasalan.

Kaya sana, huwag nating kalimutan ang simpleng pag-alala sa Lenten Season o Mahal na mga Araw, hanggang sa Abril.

Manalangin, Magsisi at Magsakripisyo. Sa Panginoong Diyos na makapangyarihan ialay natin iasa ang ating buhay.

Mamuhay ng simple, payapa at may malasakit sa kapwa, at mararamdaman nating hindi tayo pabayaan ng Panginoong Diyos, at Panginoong Diyos Anak na si Hesukristo.

Subalit tandaan din natin, ang mga bagay na ito ay dapat nating panatilihin at isagawa hindi lamang tuwing Mahal na Araw, kunwari sa lahat ng araw habang tayo ay nabubuhay.

PAGPALAIN NAWA TAYO NG MAHAL NA PANGINOONG DIYOS NA MAKAPANGYARIHAN.

DA, NHA sign MOU to establish KADIWA stores in housing projects

The Department of Agriculture (DA) and the National Housing Authority (NHA) signed a memorandum of understanding (MOU) on Thursday to promote food security and improve access to affordable food through participation in the KADIWA ng Pangulo program.

"I am pleased to witness another milestone in the KADIWA ng Pangulo program, expanding its reach to more Filipinos and reinforcing our commitment to food security, affordability, and accessibility," said Agriculture Secretary Francisco P. Tiu Laurel Jr., who signed the MOU on behalf of the DA.

"The KADIWA ng Pangulo program is not just

an initiative; it is a concrete government action to directly address the agricultural and economic challenges our country faces today," the DA chief explained.

"This memorandum of understanding between the Department of Agriculture and the NHA represents a crucial step in integrating food security into housing communities. Providing homes is essential, but true community development goes beyond shelter. It must also include sustainable food systems, livelihood opportunities, and economic stability," he added.

The MOU establishes a framework to institutionalize the KADIWA ng Pangulo program across

Cardinal Advincula orders ‘oratio imperata’ for the nation amidst political division

The head of Manila's Roman Catholic Church urged Catholics to turn to prayer as the country faces "a time of crisis, conflict and confusion."

Cardinal Jose Advincula of Manila said the current political situation "invites us to transcend our differences and be open to continuous conversion towards truth, justice, and peace."

"Let us turn to prayer, which is the most fundamental act in our desire for peace, justice, and unity," Advincula said.

The cardinal issued the statement amid what he described as "intense events and discourses" following the arrest of former President Rodrigo Duterte.

Duterte, who led a "war on drugs" that killed thousands, is facing a case of crimes against humanity before the International Criminal Court in The Hague.

As part of his appeal, Advincula released an oratio imperata, or obligatory prayer, for the nation.

He requested all parishes in the archdiocese to recite the prayer daily after the post-Communion prayer in all Masses starting the Third Sunday of Lent.

"We humble ourselves and pray, in the hope that God will hear from heaven, forgive our sins, and heal our broken land," Advincula said.

PGC Extends Health Outreach Program to Indangueños

On March 17, 2025, residents of Barangay Tambo Ilaya in Indang benefited from a significant healthcare initiative of the Provincial Government of Cavite, through the collaboration of the Office of the Provincial Health Officer (PHO) and the Office of the Provincial Governor.

The medical and dental mission which benefited 181 individuals, highlighted the power of

collective efforts in improving community well-being. The General Emilio Aguinaldo Memorial Hospital (GEAMH) medical and dental team successfully provided comprehensive medical check-ups and oral healthcare services, conducting 125 medical consultations were conducted, while 56 individuals availed of tooth extractions.

Beyond clinical services, the outreach program also provided essential medicines, multivitamins, and mosquito-repellent lotion, addressing immediate health concerns while promoting long-term wellness.

The initiative was made possible through the efforts of ABC President and Barangay Chairperson Virgilio Fidel, along with dedicated Barangay Health Workers. In addition to medical services, the program served as a platform for

health education, equipping the community with valuable knowledge on hygiene, nutrition, and disease prevention—empowering residents to take proactive steps in safeguarding their health. — R. Dones

Turning research into applications ‘shared responsibility’ – DOST

MANILA – Turning research into impactful applications is a shared responsibility, Department of Science and Technology (DOST) Secretary Renato Solidum Jr. said Monday.

Solidum said researchers, industry leaders, technology generators, entrepreneurs and policymakers must work together in enabling scientific and medical discoveries to be realized.

"Research utili-

zation and commercialization are crucial to turning research into products and services that make a difference," Solidum said during the Philippine Council for Health Research and Development's (PCHRD) anniversary in Pasay City.

Support systems are crucial in addressing limited resources, regulatory hurdles, and difficulties connecting with industry, he emphasized.

The DOST chief

added that the value of research does not stop with the discovery, but also lies in its ability to empower communities and improve their lives.

"Is it merely about producing research outputs or volumes of publications, or is it about ensuring that the knowledge we generate leads to real-world solutions that meet our people's needs?" he said.

Solidum commended the PCHRD for the

43 years of dedication to making lives better through research and development (R&D).

"The commercialization of health R&D initiatives brings opportunities to elevate healthcare systems and contribute to economic growth. Soon, locally developed vaccines, diagnostic tools, and therapeutic devices will become readily available, setting benchmarks on the international stage," he

# PIA chief urges youth...from p1

a strong voice on social media, also bear a great responsibility to ensure that truth prevails.

“As Gat Jose Rizal once said, ‘The youth is the hope of the nation.’ You are the generation with access to the most information, and because of this, you also have the greatest responsibility to ensure that the truth prevails,” said De Castro.

She added that fake news is one of the most pressing issues that need to be addressed, as it affects not only public perception but also national security and democratic integrity.

Citing sources of fake news, De Castro explained that some foreign entities are actively using social media to spread false narratives and weaken the nation’s stance on key issues such as the West Philippine Sea. She warned that these deceptive tactics are designed to manipulate public discourse and create confusion among Filipinos.

De Castro stressed that fake news is being spread to divide public opinion, propagate misinformation, manipulate democracy, and, most importantly, attempt to control perspectives on the West Philippine Sea dispute.

The PIA chief also urged the more than 500 students and youth leaders present to be vigilant and take action against fake news by fact-checking information using verified sources, being responsible on social media by avoiding disinformation and refraining from sharing unverified content, and spreading the truth by speaking up and standing for what is right.

“This is not just about fake news, it is also a matter of freedom and sovereignty in the West Philippine Sea. The future of truth is in your hands. You are the next generation of journalists, leaders, and defenders of our nation,” she stressed.

In partnership with the Philippine Coast Guard (PCG), National Youth Commission (NYC), and the City Government of Calamba, the PIA launched the West Philippine Sea Youth Symposium on Wednesday to strengthen youth awareness and commitment to the government’s efforts regarding the territorial dispute.

As part of the symposium, the PIA also introduced its Maging Mapanuri: Media and Information Literacy Campaign, discussed by PIA Laguna Information Center Coordinator Christopher Hedreyda.

Hedreyda highlighted how students and young individuals can harness their power to combat misinformation and disinformation across digital media platforms. (FC, PIA4A)

Copy of TCT No. 071-2016002034 is hereto respectively attached as Annex C.

4. That the subject property is duly registered for tax purposes with the Office of the City Assessor of Cavite City and the taxes due thereon are duly paid as evidenced by a tax declaration and tax receipt. Copy of the tax declarations for land is hereto attached as Annex D while for the building are hereto attached as Annexes E to K.

5. That on November 5, 2018, a Notice of Adverse Claim was annotated on the said title under Entry No. 2018003045 pursuant to the Adverse Claim executed by Norberto M. Palileo, and hereto quoted as follows-

Entry No.: 2018003045 Date: November 05, 2018 09:58:37 AM  
NOTICE OF ADVERSE CLAIM: EXECUTED BY NORBERTO M. PALILEO, OF LEGAL AGE, FILIPINO CITIZEN, COVERING A PARCEL OF LAND DESCRIBED IN THIS CERTIFICATE OF TITLE, AS PER AFFIDAVIT OF ADVERSE CLAIM. IN ACCORDANCE WITH DOC. NO. 057; PAGE NO. 05; BOOK NO. 11; SERIES OF 2018; OF NOTARY PUBLIC OF PARANAQUE CITY; ATTY. CARLOS M. CARLOS; DATED OCTOBER 24, 2018. xxx'

The annotation under Entry No. 2018003045 is hereto marked as Annex C-1.

6. In his Affidavit of Adverse Claim, Norberto M. Palileo claims that he is the new owner of the subject property which he allegedly purchased by virtue of a purported Deed of Sale. The pertinent portion of the same is hereto quoted as follows:

"I, NORBERTO M. PALILEO, of legal age, single, and Filipino Citizen, and a resident of Marulas, Kawit, Cavite, after having been duly sworn to in accordance with the law do hereby depose and state;

That I am the new owner of a certain parcel of land, located at San Rafael IV, Noveleta, Cavite; that on September 08, 2016, I purchased of (sic) land located at San Rafael IV, Noveleta, Cavite, Municipality of Noveleta, Province of Cavite with an area of 1152 sq. meters, more or less, covered by TCT No. 071-2016002034, of the Register of Deeds, Cavite City from GLOBAL TRAINING SYSTEMS PHILIPPINES, INC., REPRESENTED BY THE PRESIDEN, CAPT. ERNESTO I. MADRID, MM by the virtue of Deed of Sale dated, Sept. 08, 2016 enter in Doc. No. 678, book no. 76, page no. IV series of 2016, Notarial Registry by: ATTY. AMADOR MAGDAMIT JR.;

That before the execution of Deed of Sale, Sept. 08, 2016, we already pay (sic) the amount of SEVEN MILLION PESOS (php 7,000,000.00), that when we asked to him the owners duplicate copy of the said title no. 071-2016002034;

That to date we have no communication to him as he is not responded (sic) with our phone conversation and I very much worry that the same may be use to secure loan or maybe he shall sell again to others in favor to any person or entity;

That being the present lawful owner of the said property, I have the right OVER the said TCT No. 071-2016002034;" Copy of the Affidavit of Adverse Claim dated October 24, 2018 executed by Norberto M. Palileo is hereto attached as Annex L.

7. Contrary to the foregoing, the Corporation through its Board of Directors has not authorized Capt. Ernest Madrid to sell, encumber and alienate the subject property. The sale being adverted by the adverse claimant is spurious, void and without any force and effect. Pointedly, despite the alleged sale in 2016, herein adverse

claimant has not paid the corresponding taxes thereto with the Bureau of Internal Revenue much less have the subject title transferred under his name.

8.However, despite the annotation of said adverse claim in 2018, adverse claimant Norberto M. Palileo failed to take and resort to any other legal actions on how to protect and vindicate his claim over and said property and to prevent the same from being disposed by the previous owner. The Notice of Adverse Claim has therefore expired and lost its effectivity by virtue of Section 70 of Presidential Decree No. 1529 otherwise known as Property Registration Decree of the Philippines, which is hereto quoted as follows:

"Section 70. Adverse claim. Whoever claims any part or interest in registered land adverse to the registered owner, arising subsequent to the date of the original registration, may, if no other provision is made in this Decree for registering the same, make a statement in writing setting forth fully his alleged right or interest, and how or under whom acquired, a reference to the number of the certificate of title of the registered owner, the name of registered owner, and a description of the land in which the right or interest is claimed.

The statement shall be signed and sworn to, and shall state the adverse claimant's residence, and a place at which all notices may be served upon him. This statement shall be entitled to registration as an adverse claim on the certificate of title. The adverse claim shall be effective for a period of thirty days from the date of registration. After the lapse of said period, the annotation of adverse claim may be cancelled upon filling of a verified petition therefore by the party in interest: Provided, however, that after cancellation, no second adverse claim based on the same ground shall be registered by the same claimant.

Before the lapse of thirty days aforesaid, any part in interest may file a petition in the Court of First Instance where the land is situated for the cancellation of the adverse claim, and the court shall grant a speedy hearing upon the question of the validity of such adverse claim, and shall render judgment as may be just and equitable. If the adverse claim is adjudged to be invalid, the registration thereof shall be ordered canceled. If, in any case, the court, after notice and hearing, shall find that the adverse claim thus registered was frivolous, it may fine the claimant in an amount not less than one thousand pesos nor more than five thousand pesos, in its discretion. Before the lapse of thirty days, the claimant may withdraw his adverse claim by filing with the Register of Deeds a sworn petition to that effect." (Emphasis ours.)

9. Considerably, the annotation of the Adverse Claim on the petitioner's title which was based on a baseless adverse claim would constitute undue restriction on the petitioner's rights of ownership and possession who is still the registered owner of the property under a new management, thus, there is no reason to have the Adverse Claim remain on the title.

10. That by reason of the flimsy and baseless annotation of respondent's Adverse Claim, herein petitioner could not use said property as security for bank loans, all to damage and prejudice of herein petitioner.

11. Further, by reason of the respondent's malicious and baseless adverse claim annotated on the petitioner's title, the petitioner was compelled to litigate and to engage the services of counsel to have the annotation cancelled and for which petitioners were obligated to pay the sum of Php20,000.00 as attorney's feed, for which respondent should be liable.

12. For purposes of this Petition, the petitioner will present Mr. Michael B. Dumangeng as their lone witness to prove the material allegations and legal justifications set forth in the instant Petition. Copy of his Judicial Affidavit is hereto attached as Annex M.

PRAYER

WHEREFORE, it is most respectfully prayed of the Honorable Court that judgment be rendered, to wit-

1. Ordering the cancellation of the Adverse Claim on Transfer Certificate of Title No. 071-2016002034 under Entry No. 2018003045;

2. Ordering the respondent to pay the petitioner the sum of Php20,000.00 as attorney's feed; and

3. Ordering the respondent to pay the cost of suit. Petitioner further prays for any other relief and remedy this Honorable Court may deem just and equitable under the premises.

essential health services are brought directly to the people, particularly in remote or hard-to-reach areas.

During the health event, a variety of essential healthcare services were provided to the community. Services include chest X-ray screenings to detect potential respiratory issues such as tuberculosis, and skin consultations under the "Kilatis Kutis" program, which addressed various dermatological concerns. Residents received deworming treatments and oral rehydration salts (ORS) to promote better health, particularly for children. HIV counseling and testing were offered to raise awareness and provide support for HIV prevention, while purified protein derivative (PPD) testing was conducted to identify exposure to tuberculosis. Additionally, anti-rabies vaccinations were given to pets to protect the community from rabies.

In addition to these health services, the event also included a Rabies Awareness Lecture to educate the public on the risks and prevention of rabies. Furthermore, a poster-making contest was organized in celebration of World Tuberculosis (TB) Day, with students from Feliciano Cabuco Elementary School participating actively. The contest not only engaged the youth but also raised awareness about the ongoing fight against TB.

Local officials, including Mayor Gemma B. Lubigan and Vice Mayor Bobby Montehermoso together with some members of the Sangguniang Panlungsod and some barangay captains of the city were present at the event. They expressed their deep appreciation for the program and emphasized the importance of such health initiatives for the residents of Trece Martires City. Their support highlights the local government's commitment to enhancing public health services and ensuring that the people of the city receive the care they need.

ORATIO IMPERATA FOR THE NATION

Heavenly Father,  
you led your people out of Egypt from slavery to freedom.  
In Jesus your beloved Son,  
You led us from death to life  
through his Paschal Mystery,  
and by the gift of the Holy Spirit.

We humble ourselves before you today,  
trusting in your promise to heal our land.  
Stretch forth your mighty hand once again  
and lead our nation,  
in this time of crisis, conflict, and confusion.

Let the light of truth shine  
like a pillar of cloud by day  
and a pillar of fire by night,  
to guide us along the path  
that leads to unity and peace.  
Make justice gush forth  
like water from the rock  
quenching the thirst of victims,  
cleansing wounds,  
and opening the way to healing and reconciliation.

As You fed Your people with manna in the wilderness,  
satisfy our hunger for righteousness,  
that we may cease to crave for power, wealth and selfish gain.  
Softened hearts hardened like Pharaoh's,  
and open eyes blinded by greed,  
that our love for our country may triumph  
over all political loyalties and personal interests  
and we may learn to see each other,  
not as allies or enemies  
but as we truly are-brothers and sisters all.

May this Jubilee Year inspire us  
to journey together as one people.  
Let this be our Passover:  
from lies to truth,  
from cowardice to courage,  
from injustice to righteousness,  
from division to unity,  
from despair to hope,  
from selfishness to love.  
May this time of renewal  
enable us to discover again  
our greatness as a nation  
and our dignity as a people  
so dear to your heart.

care services at the grassroots level. By focusing on accessible and preventive healthcare, the program is playing a crucial role in improving the health and well-being of Filipinos across the country, especially in marginalized and underserved communities.

As part of its expansion, the PuroKalusugan program will continue to roll out to other barangays, bringing essential health services directly to more residents. Through collaboration with local government units and health offices, this initiative is expected to make a lasting impact on the overall health outcomes of communities nationwide. — OPIO

"Hindi po kaya ng isang departamento lamang. Kaya't ganito po ang aming ginagawa (A single department cannot handle it alone. That's why we're doing this)," he added.
