REVILLA SINUSUGAN ANG TEACHER EDUCATION EXCELLENCE ACT

NAGHAIN ng co-sponsorship remarks si Senator Bong Revilla, Jr. para sa Senate Bill No. 2152 sa ilalim ng Committee Report No. 252 na Teacher Education Excellence Act.

Ito ay upang maabot ang layuning paigtingin, palawakin, at pagyamanin ang kaalaman at kakayahan ng ating mga guro upang maging epektibong instrumento sa pagbibigay ng mataas na kalidad ng edukasyon sa ating kabataan.

Naniniwala si Revilla sa binitawang kasabihan ng great philosopher na si Aristotle na "Those who know, do. Those who understand, teach" na kung lilimi-

in ay hinggil sa pagtuturo at ang kahalagahan ng pagkakaroon ng mahusay na guro.

Layun din ng isinimiteng Senate Bill 1893 na amyendahan ang Republic Act No. 7784 na siyang bumuo ng Teacher Education Council (TEC) na itinatag noong 1994 upang bumuo ng polisiya at pamantayan na magpapalakas at mag-aangat sa sistema ng teacher education maging sa pribado o pampublikong paaralan.

Sinabi pa ni Revilla na sa kabila nang pagkakatatag umano ng TEC ay kailangang kailangang ayusin at paigtingin ang kanilang mandato at koordinasyon, mahalaga din uma-

no na palakasin ang TEC bilang timon ng adhikaing ito.

Isa pa umano sa umaayon sa pananaw na ito ay ang National Educators Academy of the Philippines (NEAP) na naitatag dahil sa pagmamalasakit ng Department of Education (DepEd) upang mabalangkas ang patuloy na pagbuo sa mga education personnel at matukoy ang kanilang kakayahan at kuwalipikasyon.

"Dahil sa mahalagang tungkulin na ginagampanan ng NEAP, kailangan itong gawing institutionalized sa ilalim ng isang batas at i-integrate ito sa pangkalahatang istruktura ng ating

basic education system" saad pa ni Revilla.

Layun din ng Senate Bill 2152 na pagibayuhin pa ang kalidad ng basic education sa bansa at itaas pa ang antas ng kalidad ng mga guro, liderato ng paaralan, palakasin pa ang TEC at buuhin ang institusyon ng NEAP.

Ang panukalang "Teacher Education Excellence Act" ay layun ding makapagbuo ng komprehensibong estruktura upang payagan ang lahat ng kaakibat na ahensiya ng pamahalaan kabilang na ang mga stakeholders na sama-samang kumilos para sa iisang adhikaing in.

Idinagdag pa ni Revilla na upang magkaroon ng kasiguruhan ang kanilang pagsisikap na makagawa ng world-class teachers, school leaders at mag-aaral, kabilang din sa naturang panukala ang Chairperson ng Commission on Higher Education (CHED) bilang Ex Officio Vice Chairperson, at ang Director-General ng Technical Education and Skills Development Authority (TESDA)

Gatchalian urges government to push for a job-intensive recovery

Senator Win Gatchalian urged the government to devise ways of providing employment opportunities to millions of Filipinos unemployed, many of whom have been displaced by the imposition of strict quarantine regulations, and pursue retooling programs to prepare them for the job market of the new normal.

"Trabaho, hindi lang basta ayuda, ang dapat ipursige ng pamahalaan para masiguro na maitatawid ng marami nating kababayan ang mga arawang pangangailangan ng pang matagalan," Gatchalian said.

While the latest labor force survey by the Philippine Statistics Authority (PSA) showed that the number of unemployed Filipinos went down to 3.44 million in March from 4.19 million in February, Gatchalian said the country should brace for a higher unemployment rate in the months to come following the re-imposition of stricter health protocols in the National Capital Region (NCR) plus bubble from March 29 to May 15.

NEWS UPDATE

Recognizing the crucial role of the hospitals in providing unimpeded delivery of health care services to those who need it, the Philippine Health Insurance Corporation (PhilHealth) recently announced the implementation of the Debit-Credit Payment Method (DCPM) to fast-track payments to its partner-hospitals.

Under the DCPM, PhilHealth shall facilitate the settlement of accounts by paying 60% of the total amount of applicable HCF receivables minus withholding tax of 2%, while the remaining 40%, minus 2% withholding tax of the total amount of good claims shall be paid following compliance to existing claims processing requirements and procedures, and full reconciliation of the 60% initially paid to the HCF. Atty. Dante A. Gierran, PhilHealth President and CEO, said that, "The idea behind this [DCPM] is to immediately pay 60% of the total P7.01 billion of hospital claims in the

Reimbursements through the DCPM only apply to in-process claims filed from March 8, 2020 to April 7, 2021. However, claims that were returned to hospitals, denied, and under further investigation shall not be paid under the DCPM. Likewise, claims approved for payment by April 7, 2021 were excluded from the payment.

The accelerated payment method shall afford hospitals sufficient cash flow to continue providing the sick with quality health care during the pandemic. In view of this, hospital funds are augmented to enable them to increase their capacity in managing more COVID patients.

DOT eases travel restrictions in NCR Plus

Travel restrictions will be eased in the areas within NCR Plus, which includes Metro Manila, as well as the provinces of Rizal, Laguna, Cavite and Bulacan after the Inter Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) ordered more lenient travel guidelines until May 30.

In a press release, the Department of Tourism (DOT) said it welcomed the IATF-EID Resolution No. 115-A which places Metro Manila, Bulacan, Rizal, Laguna, and Cavite — collectively known as NCR Plus — under General Community Quarantine (GCQ) with heightened restrictions.

MAY is National Heritage Month

However, the DOT noted that while only essential travel is allowed within the area, the Resolution allows the implementation of "specialized markets of the Department of Tourism" which includes Point-to-Point (P2P) Air Travel for Leisure Purposes from the NCR Plus Area, and the Staycation program, subject to the observance of minimum public health standards.

"The easing of restrictions in NCR Plus is good news for our tourism stakeholders. This means

Dela Rosa pushes for passage of Department for OFWs

SENATOR Ronald "Bato" Dela Rosa has sought for the establishment of a department tasked to look after the interest of Filipinos overseas without causing a "swell" to the state bureaucracy since it will be an integration of functions of existing concerned government agencies.

This after Dela Rosa authored and filed Senate Bill No. 2110 (SBN 2110), to be known as "Department of Overseas Filipinos Act," to rationalize and put "under one roof" the powers and functions of separate concerned offices to ensure a more effective implementation of policies and programs for the protection of the rights and promotion of the welfare of overseas Filipinos,

especially the Overseas Filipino Workers (OFWs). "With a single but focused department where-in the mandates of key agencies are synchronized, our overseas Filipinos are assured of easily accessible and more available, and, at the same time, swift assistance and services. Hence, the early passage of this bill is earnestly sought," he said.

Under SBN 2110, which the top cop filed last month, the Department of Overseas Filipinos shall be created and will subsume all the powers and functions of the Office of the Undersecretary for Migrant Workers' Affairs of the Department of Foreign Affairs, the Commission on Overseas Filipinos, all Philippine Overseas Labor

Offices and the International Labor Affairs Bureau under the Department of Labor and Employment, the Social Welfare Attachés Office under the Department of Social Welfare and Development, and the Philippine Overseas Employment Administration.

The Overseas Workers Welfare Administration (OWWA) will be attached to the proposed department for purposes of policy and coordination.

However, the OWWA Board of Trustees shall be reconstituted to include 3 representatives each of the land-based and sea-based OFWs, and 1 representative each of the women, land-based recruitment, and sea-based recruitment sectors.

The OWWA Trust

Fund created under Republic Act 10801 which serves as support to the programs and services for member-OFWs, such as social benefits, educational and livelihood assistance, and reintegration programs, will be renamed OFW Fund. Further, this private fund of OFWs shall be utilized primarily for the welfare benefits of the member-OFWs and their families and can only be resorted to for repatriation assistance as a last resort. Repatriation assistance and other assistance for Overseas Filipinos in distress shall be charged to the Assistance to National Fund.

The Mindanaoan Senator said the Department of Overseas Filipinos will protect and promote as well the welfare, well-be-

ing, and interest of families of overseas Filipinos.

According to the Stock Estimate of Filipino Overseas by the Commission on Filipino Overseas, there is a total of 10.2 million overseas Filipinos in more than two hundred destination countries and territories, of which 4.8 million are permanent migrants, 4.2 million temporary migrants, and 1.2 million are irregular migrants.

There are 2.2 million Overseas Filipino Workers (OFWs) working abroad, based on the 2019 Survey on Overseas Filipinos by the Philippine Statistics Authority.

"With the huge number of our kababayans living and working abroad, it is important that policies and programs for the promotion of their welfare and protection must be unequivocally instituted,"

SEN. Dela Rosa

Dela Rosa said.

Dela Rosa's bill is included in the ongoing Technical Working Group discussion headed by the Committee on Labor, Employment, and Human Resource Development on the Creation of the Department of Overseas Filipinos. The said TWG aims to hear additional suggestions and recommendations of the stakeholders especially the OFWs to ensure that the final version of the Senate bill will be responsive to the needs of those concerned.

Gatchalian said that a retooling program is also needed to help the displaced workers acquire new skills and prepare them for the emerging sectors in the post pandemic setting as training programs can help boost government expenditure and increase the country's Gross Domestic Product (GDP).

Voters registration in Cavite, other NCR Plus areas resumes May 17

Voters registration in the National Capital Region (NCR) Plus area will resume on May 17, the Commission on Elections (Comelec) said on Friday.

"Beginning Monday, the Comelec will be resuming registration in these areas, Mondays to Fridays, from 8 a.m. to 5 p.m.," Comelec executive director Bartolome Sinocruz Jr. said in a virtual press briefing.

This came as the NCR Plus, composed of Metro Manila, Bulacan, Cavite, Laguna, and Rizal were placed under gener-

al community quarantine (GCQ) with heightened restrictions from May 15 to 31.

Voter registration was suspended in these areas which were earlier placed under enhanced community quarantine (ECQ) from March 29 to April 11 and modified ECQ (MECQ) from April 12 to May 14.

Sinocruz added that the local field or the satellite registration centers for overseas Filipino voters will also open.

He said they will also be coordinating with

the field registration centers in the different offices of the government such as the Overseas Welfare Workers Administration (OWWA) and the Department of Foreign Affairs (DFA).

"We will need to

coordinate with them, it will depend on the existing if they have their own lockdown procedures. But definitely, since the NCR has been downgraded to GCQ, I think it is time for them to open also," Sinocruz added.

The voter registration nationwide has resumed on Sept. 1, 2020 and will run until Sept. 30, 2021, in connection with the May 2022 National and Local Elections.

Registrants may

file their application at all Offices of Election Officers in cities and municipalities where they intend to vote.

The Comelec is looking to register some four million new voters. source:(PNA)
