*PhilID for Filipino citizens has no expiration: PSA*

MANILA — Acquired Philippine Identification (PhilID) or the national ID under Filipino citizenship has no expiration.

In an advisory recently, the Philippine Statistics Authority (PSA) said PhilID requested by resident aliens, not Filipinos but has established residence in the Philippines, is valid only for one year.

All Filipinos and resident aliens may apply

for acquisition of PhilID via <https://register.philsys.gov.ph>.

Application to acquire PhilID cards under the Philippine Identification System (PhilSys) project has three registration steps.

Step 1 PhilSys process involves the collection of demographic information such as full name, gender, date, and place of birth, blood type, and address.

The validation of

presented documents in the registration centers and collection of biometric captures such as facial photographs, full of fingerprints, and iris scans will be done in Step 2 PhilSys process.

Step 3 process

is the delivery of PhilSys Number (PSN) and PhilID card to the owner's home address, through the PSA's official courier partner Philippine Post Corporation (PHLPost).

The Bangko Sen-

Lacson Pushes 'Reinvented' 4Ps  
to Ensure Sustainable Livelihood

From merely doling out cash to providing sustainable livelihood and employment opportunities.

This is the reinvention of social welfare programs such as the Pantawid Pamilyang Pilipino Program (4Ps) that Sen. Panfilo "Ping" M. Lacson envisions under his administration, should he win the presidential election in 2022.

"We must invest in our human capital. It is high time that we reinvent the Pantawid Pamilyang Pilipino Program (4Ps) with the overarching principle that every Filipino should bridge the poverty line with a sustainable livelihood or employment opportunities," Lacson said before the Rotary Club of Manila.

"Hence, we will streamline and rationalize our social welfare programs to avoid redundancy and worse, wastage in the use of funds. All of our programs will have an overarching objective to drive our people back to work, not subsist on

dole-outs all their lives," he added.

Lacson, standard bearer of Partido Reporma, also pushed for a "balik-trabaho" program for those laid off during the pandemic and are willing to work but had no job opportunities.

He said the government must roll-out uninterrupted Cash-for-Work programs by encouraging public-private partnerships, by tapping the corporate social responsibility arms of corporations, "in pursuing initiatives to provide cash payments under 'decent work' conditions."

"Our concept of progress—from making employment and business opportunities to creating a competitive market to be an economic powerhouse—is anchored on one goal: to empower and uplift the lives of our people," he said.

Lacson said this can be done through skills development trainings and higher honorariums for those who will

The Philippine Health Insurance Corporation (PhilHealth) recently awarded the Pasig City Health Office its Certification of Accreditation, making it the first accredited provider of Konsultasyong Sulit at Tama (Konsulta) in the National Capital Region.

Some 20,000 Pasiguenos stand to benefit from the said partnership that will make available primary care services that are paid for under the Konsulta package which include initial and follow-up consultations, and targeted health risk screening and assessment.

Depending on the

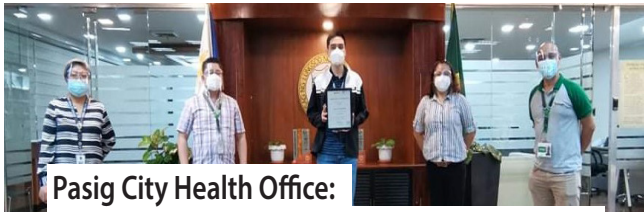

health condition of the beneficiaries and as assessed by the primary care professional, Konsulta also provides laboratory tests such as urinalysis, complete blood count (CBC), chest X-ray, electrocardiogram (ECG), among others. The package also include a wide range of medicines which include anti-asthma, anti-diabetic and anti-hypertensive medicines, among others.

The Konsulta package aims to provide all Filipinos with basic essential services at every life stage. It also aims to help in promoting health, identifying risks, and ensuring early diagnosis and detection of conditions

to prevent these from worsening and leading to costly treatments.

Explaining the impact of the partnership to the City's health services, Pasig Mayor Vico Sotto said that "This is an important step towards the implementation of Universal Health Care. This aims to provide better primary health care services (health centers/clinics), which will also help in decongesting our hospitals,"

# Tanza ranks 9th in province with active cases down at 26

Trece Martires, Cavite (PIA) – The municipality of Tanza through the Rural Health Unit recorded a total of 26 Active cases as of last November 11, 2021 with the town at 9th place among the cities/towns with the most number of Active CoViD-19 cases in the province.

The expansive conduct of vaccination rollouts highly contributed to the continued decline in the number of cases recorded coupled with more patients recovering from the disease.

Rural Health Officer Dr. Ruth Punzalan on behalf of the local government expressed her gratitude to the national and provincial government for the provision of sufficient supply of CoViD-19 vaccines which were distributed to around 3K to 5K doses daily.

She urged all Tanzeños who have not yet registered for the CoViD-19 vaccination to register for the vaccination since there is ample supply of all CoViD-19 brands that are authorized for the immunization.

“This is the time to register for the vaccination because we have plenty of available CoViD-19 vaccines,” urged Punzalan.

To be able to attain the goal of herd immunity at

Rural Health Officer Dr. Ruth Punzalan

the soonest possible time, the RHU targets to distribute a total of 11,000 jabs per day.

Meanwhile, the local government is currently coordinating with the schools’ administrations for the efficient assessment and processing to speed up the town’s Pediatric vaccination.

Despite the decline in recorded positive cases, the RHU continues to remind the public to continue observing the minimum health standards including the mandatory wearing of face shields that serve as additional protection against infection of the CoViD-19.

The medical officer also advised that patients that are confirmed positive with CoViD-19 and their close contacts should go to the isolation facility to protect their families and avoid further spread of the disease. (RBF/PIA-Cavite)

# Pagsuot ng face shield,boluntaryo na maliban sa Hospital

DASMARIÑAS -Tanging sa mga pagamutan at quarantine facility na lamang gagawing mandatoryo ang pagsusuot ng face shield simula noong Nobyembre 16.

Ayon kay Mayor Jenny Austria-Barzaga, gagawin nang boluntaryo ang pagsusuot ng face shield sa mga pampublikong lugar sa kanilang lungsod tulad ng mga restaurant. Nilinaw rin ni Barzaga na maaari pa ring magsuot ng face shield kung nais ito kanilang mga kababayan.

Sa kabila nito, ipinaalala ng alkalde sa kanyang mga kababayan na patuloy na sumunod sa mga public health protocol tulad ng pagsusuot ng face mask. | via Mayor Jenny Austria-Barzaga

In October 2019, the PSA and BSP signed a memorandum of agreement for the production of 116 million blank cards within three years.

The PSA reported a total of 3,102,751 physical PhilID cards have been sent door-to-door for free, as of October 31.

PSA Assistant Secretary Rosalinda Bautista earlier said the government will soon release a mobile version of the PhilID cards.

"We humbly ask for the patience and support of the public as we, together with the BSP and PHLPPost, continuously do our best in accommodating millions of Filipinos who have successfully registered for PhilSys Step 1 and Step 2. In the meantime, please stay tuned for the launch of the PhilSys mobile ID," Bautista said.

Bautista cautioned the registrants to keep their PSN confidential at all times.

Once successfully delivered, Bautista reminded the public to refrain from posting photos of their PhilIDs on social media or other public platforms.

Three others are from the University of the Philippines and one each from the Ateneo de Davao, University of Santo Tomas, and University of the East.

Prior to his new stint as the 192nd SC justice, Marquez served as the 14th court administrator.

He stood with the late Chief Justice Renato Corona, who was impeached in 2011 during the Aquino administration.

He also supervised the court's handling of the 2009 Maguindanao massacre case, where 58 died, including journalists.

His responsibilities included interventions in case management of lower courts, overseeing halls of justice and court houses, issuing circulars and memoranda, and providing public assistance and information.

He likewise led various committees and projects at the SC.

Marquez started his career in the high tribunal in 1991 as a summer apprentice doing legal research at the office of an associate justice while he was still in law school.

He then became a regular law clerk of several SC justices until he served as court administrator.

He once served as spokesperson and Public Information Office chief of the SC, as well as chief of staff of the Office of Chief Justice.
