La Union leads in Konsulta
beneficiaries registered in
Region I

By: Joseph A. Manuel, PRO I

The Province of La Union has recorded the highest number of beneficiaries registered under PhilHealth's expanded primary care benefit package Konsultasyong Sulit at Tama or Konsulta in the entire Region I.

Based on a report by the PhilHealth Regional Office I (PRO I) as of November 24, 2022, all 22 accredited facilities within the Province of La Union have registered over 51,000 members which comprise 73% of total registered beneficiaries from Region I's current 57 accredited Konsulta providers.

This would not have been possible without the collaborative efforts between the Department of Health Center for Health Development I (DOHCHD-I), PhilHealth La Union Local Health Insurance Office (LHIO), the Provincial Government of La Union and its city and municipalities, and other partners and stakeholders in the region.

The Konsulta aims to register all Filipinos to primary care providers of their choice to avail of consultations, health risk screening and assessment, laboratory tests, and drugs and medicines based on their

health needs. To heighten public awareness on Konsulta and how can Filipinos register themselves to be able to avail of the benefits, a series of orientation seminars and other related activities have been conducted by the LHIO La Union led by its Chief Social Insurance Officer (CSIO) Raymund O. Maningding.

During these activities, Maningding encouraged the attendees to register to their chosen Konsulta provider either through the Member Portal which can be found in the PhilHealth website, or by submitting a properly accomplished PhilHealth Konsulta Registration Form (PKRF) to the provider of their choice.

Meanwhile, La Union Provincial Health Officer Dr. Eduardo S. Posadas, in one of his interviews, commended LHIO La Union for their perseverance and for being proactive in this campaign to strengthen the delivery of primary care services in the province.

The 22 Konsulta facilities that are accredited

in La Union are the Agoa Municipal Health Office, Aringay Birth-In Clinic and Rural Health Unit, Bacnotan District Hospital, Bacnotan RHU, Bagulin RHU, Balaoan District Hospital, Balaoan MHO and Birthing Clinic, Bangar MHO and Birthing Clinic, Burgos RHU, Caba District Hospital, Caba RHU, Doña Donata Dumuk Aguila Memorial Health Center, Luna MHO and Birthing Clinic, Naguilian MHO, Rosario RHU Family Planning and Birthing Clinic, San Fernando City Health Office, San Gabriel RHU and Birthing Clinic, San Juan MHO, Santol Lying-In Clinic, Sto. Tomas RHU and Maternal-Child Care and Birthing Clinic, Sudipen RHU and Birthing Clinic and Tubao RHU.

These facilities will provide the services under Konsulta. They will also act as navigators and coordinators of healthcare within the provincewide network in line with the mandates of UHC.

The province is also encouraging private health care providers to also apply for accreditation as PhilHealth Konsulta Providers to help promote the health and well-being of all its constituents.

La Union is one of the 71 identified UHC Integration sites in the country. ###

SIMPLE LANG...

Pasko na talaga, hindi ito mapigilang. Saan mang dako, grabe at matindi ang pagsisikap ng trapiko dahil sa dami ng mga taong lumalabas ng bahay, nag-pupunta sa malls, department stores at palengke para mamili ng mga bagong damit, sapatos, pangregalo, panghanda at mga Christmas decorations. Taghirap? Mahal ang mga bilihan? Mababa ang value ng piso? EWAN! Ang mga Pinoy sadyang galante at sumusunod sa tradisyon ng masigla, masaya at masaganang pagdiriwang ng Kapaskuhan.

Mahirap man o mayaman, pareho lamang ng layuning maipagdiwang ang Araw ng Pagsilang ng Anak ng Diyos, ang Panginoong Hesukristo bilang tao. Natural lang, magkaiba ang kanilang materyal na nakakayanang ihandog sa selebrasyon, at dito nga sa paraang ito, tumitingkad at nakikita ang kaibahan ng mga mayayaman sa mahihirap. Pero dapat nating alalahanin na si Jesus ay isinilang s isang munting sabsaban, hindi sa magarbo at mamahaling ospital. Simpleng pagsilang ng isang anak ng Diyos bilang tao.

Ang pagdiriwang ng Pasko ay wala sa masasarap na pagkain o sa mga bago at mamahaling damit, sapatos, regalo at dekorasyon. Ang Pasko ay nasa puso, sa taimtim na panalangin, pagsasalimat at pananampalataya sa Diyos, sa anak ng Diyos na nagligtas at tumubos sa tao mula sa kasalanang mortal. Kaya nga kabayan, gawin nating SIMPLE LANG ang pagdiriwang, sapagkat nasa kasimplehan ang tunay, at wagas na kaligayahan.

Taimtim tayong manalangin sa Panginoon, magpasalamat sa mga biyayang tinatanggap at humingi ng tawad sa ating mga pagkakasala. Sigurado, ang tunay na DIWA ng PASKO ay ating madarama hindi lamang sa loob ng isang araw, o tuwing ika - 25 ng Disyembre, kundi sa loob ng isang taon, sa araw - araw ng ating buhay.

Maligayang Pasko po sa ating lahat. Kasihan nawa tayo ng mahal na Panginoon.

DILG urges LGUs to continue aquatic rehab, preservation efforts

MANILA – The Department of the Interior and Local Government (DILG) on Thursday urged local government units (LGUS) to continue protecting the coastal areas and aquatic resources as it awarded 13 outstanding LGUs for their contribution in the rehabilitation and protection of the Manila Bay watershed and compliance to the Philippine Fisheries Code.

DILG Secretary Benjamin ‘Benhur’ Abalos Jr. said the eight LGUs receiving the prestigious MANILA BAYani Awards and Incentives (MBAI) and five others that were recognized through the Fisheries Compliance Audit (FishCA) Awards are testaments’ efforts to protect the country’s body of water and natural resources.

“Congratulations to all the winners of MBAI and FishCA. Your contribution and outstanding efforts for the protection of our aquatic resources are truly remarkable. Kami ay natutuwa at katuwang namin kayo sa pangangalaga ng ating likas na yaman (We are happy that you are our partners in protecting our natural resources),” Abalos said during the awarding ceremony in Quezon City last Tuesday.

“But there’s more to be done, especially in the face of climate change. As we face the threat of climate change, we need more LGUs to step up and hold hands with us in this advocacy. This pandemic has really given us a silver lining. If there is one thing I would say, it is the importance of making peace with nature. While we have made strides in this development, what is important is we have this goal of balancing development with ecology,” he added.

Among the MBAI awardees for 2018 to 2020 are Baliuag (Bulacan), Ka-

layaan (Laguna), and Magallanes (Cavite) for the municipal category, while Balanga (Bataan), Biñan (Laguna), Imus (Cavite), Makati City and City of Navotas bagged the award for the city category.

For the year 2021, the LGUs of Biñan and Kalayaan (Laguna), Baliuag (Bulacan), and Balanga (Bataan) were recognized anew for the MBAI Awards.

Abalos reported the significant gains in improving the water quality of Manila Bay, particularly the fecal coliform level indicating its level of contamination from sewage.

He said that from 92 million most probable number per 100 millimeters (mpn/100ml) fecal coliform level in the Manila Bay waters in 2019, it has now decreased to 1.8 million mpn/100ml as of June 2022.

Likewise, he reported the 10.6 million kilograms of waste collected during the rehabilitation and cleanup operations from January to March 2022, in which 6,022 barangays and 187 cities and municipalities participated.

“This is a clear manifestation of what unity could do. If we’re all just united in our goal and our ways. Let’s rid our jurisdictions of bad practices, injustices, inequality and heedless dominion over our planet and its resources. Let’s have a dream which is to recover not just in terms of economy, but to recover better as one in the preservation of our Mother Earth for the good not only of ourselves but for our children and their children,” Abalos urged the LGUs.

The MBAI awardees received cash incentives of up to PHP1.5 million which can be used for financing programs, projects and activities (PPAs) serving to increase the compliance of the LGUs with the

Manila Bay Clean-up, Rehabilitation, and Preservation Program (MBCRPP) and for service payments.

Meanwhile, Abalos said the FishCA awardees for 2020 to 2021 are Naic, Cavite; Tanza, Cavite; Pilar, Bataan; Sasmuan, Pampanaga and Balanga, Bataan.

Similarly, he said, cash incentives of up to PHP1 million will be awarded to the winners which they can utilize to implement PPAs that contribute to enhancing the management of municipal waters or coastal areas.

The FishCA is a pioneering monitoring tool to supervise coastal LGUs’ compliance with the Philippine Fisheries Code or Republic Act No. 8550 as amended by RA 10654.

Present during the ceremony were DILG officials and personnel and representatives from partner government agencies and non-government organizations such as the Metropolitan Manila Development Authority, Department of Public Works and Highways, Metropolitan Waterworks and Sewerage System, Department of Health-Metro Manila Center for Health Development, National Housing Authority, Department of Environment and Natural Resources-Environmental Management Bureau, Department of Agriculture-Bureau of Fisheries and Aquatic Resources, and Department of Human Settlement and Urban Development.

Outstanding Lupong Tagapamayapa also cited

Meanwhile, Abalos also hailed the 12 outstanding Lupong Tagapamayapa who were declared as winners in the Lupong Tagapamayapa Incentives Awards (LTIA) 2022 for their effective mediation in the amicable settlement of disputes in their respective communi-

ties.

“Congratulations sa lahat ng mga nagsipagwagi ngayong taon sa (to all the winners this year of the) LTIA. Bilang pangunahing takbuhan ng mga mamamayan sa tuwing mayroong gulo o hindi pagkakaunawaan ang mga magkaka-barangay, tunay na napakahalaga ng ginagampanang papel ng ating mga Lupon sa pagsusulong ng kaayusan at katarungan sa ating bansa (As the primary body that people go to whenever there are misunderstandings in the community, the role of the Lupon is truly vital in promoting order and justice in our country),” he said.

Abalos also lauded all “Lupons” nationwide for the peaceful resolution of a total of 480,980 disputes in barangays in 2021 which could have been indiscriminately filed in regular courts and worsened case congestion in courts.

“This is a clear manifestation that our justice system at the barangay level is working and vibrant, and that our Lupons have been very effective in carrying their time-tested mandate of amicably settling disputes at the barangay level,” he said.

Now on its 24th year of implementation, the LTIA is an annual awards program which grants economic and other incentives to outstanding Lupong Tagapamayapa which demonstrates exemplary performance and commendable contributions to attain the objectives of the Katarungang Pambarangay Program, an alternative conflict resolution structure at the grassroots level.

The national winners for each category are Barangay Marketview, Lucena City in Region 4-A for highly-urbanized cities (HUC); Barangay Upper Katungal, Tacurong City, Sultan Kudarat in Region 12 for component cities (CC);

the ceremonial signing of the GAA in Malacanang, President Marcos said its passage is essential because it will serve as a roadmap of what the government in- tends to do next year.

“And to see the rapidity of the passage is significant because it means that this budget, the road- map that we have proposed from the Executive, is fully supported by our legisla- ture. And that is very, very important indeed,” Marcos said.

“Because it is what is essentially or sometimes regarded as a long, difficult, long-drawn-out process... shown to still be able to ex- press that kind of support, that kind of solidarity with the Executive,” the Presi- dent said.

The government, Marcos said, has listed its plans for next year and it is

now slowly moving toward realizing its goals such as carrying out all the needed structural changes.

The signing into law of the General Appro- priations Act is important because it will provide the government with a tool to transform the economy, the chief executive noted.

“It is always very important that the GAA has been put together in conso- nance with all of the plans of the Executive. And that kind of coordination and that kind of synergy that we will gain from that is going to be an essential part of the way that we move forward,” Marcos said.

The President ex- pressed his gratitude to the members of the legislature and all those who worked hard for the passage of the 2023 national budget.

Solon wants Arabic language taught in all elementary schools

Senator Sherwin Gatchalian

MANILA – Senator Sherwin Gatchalian on Sunday pushed for the inclusion of Arabic language and Islamic Values Education (ALIVE) in the curriculum of all public and private elementary schools outside the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

Earlier this year, Gatchalian filed Senate Bill No. 382 or the Arabic Language and Islamic Values Education Act to provide Muslim Filipino learners the appropriate and relevant educational opportunities while recognizing their culture, which includes the teaching of Arabic Language and Islamic Values.

The proposed measure, he added, would also ensure the contribution of Muslim Filipinos to national goals and aspirations aimed at making them partners in nation-building.

Gatchalian, who

chairs the Senate Committee on Basic Education, believed that the measure aligns to foster inclusive education to address and respond to learners' diversity of needs, and ensure full participation, presence, and achievement in learning cultures and communities.

The bill proposes that subjects of Arabic Language or Islamic Values Education, or both, shall be taught to Muslim and non-Muslim Filipino learners.

The bill also seeks the provision of relevant textbooks and instructional materials, as well as training or capacity-building of asatidz or teachers in most Muslim Filipino communities.

It also seeks to provide technical and financial educational assistance to DepEd-accredited or recognized madaris, which are privately-operated, commu-

nity-based educational institutions whose core emphasis are Islamic studies and Arabic literacy. The medium of instruction in madaris is the Arabic language.

"Bilang pagkilala sa kultura at mga kontribusyon ng ating mga kababayan at mga mag-aaral na Muslim, isinusulong natin ang mas pinaigting na mga programa sa ilalim ng Arabic Language and Values Education. Bahagi rin ito ng ating pagsisikap upang matiyak na pagdating sa dekalidad na edukasyon, hindi mapag-iwanan ang ating mga mag-aaral na Muslim (In recognition of the culture and contributions of our Muslim compatriots and students, we are promoting more intensified programs under the Arabic Language and Values Education. This is also part of our effort to ensure that when it comes to quality education, our Mus-
