Villanueva: Troll
farms peddle 'fatal'
misinformation

Senator Joel Villanueva joined calls for the Upper Chamber to investigate allegations of public funds financing "troll" farms which were reportedly established to sow misinformation in time for the coming elections in 2022.

"Organized trolls are weapons of mass distraction. The seeds of falsehood they plant ripen into hate ready to be harvested by those who are harmed by the truth," said Villanueva, chair of the Senate labor committee.

Villanueva joined 11 other senators led by Senate President Vicente Sotto III and Senate President Pro Tempore Ralph Recto in filing Senate Resolution No. 768, which asked the chamber to investigate reports that public funds were used to finance troll farms propagating "fake news."

CAVITEX C-5...FROM PAGE 8

"With the progress we have seen on-site today, we are optimistic that the CAVITEX C5 Link Segment will be completed as planned. We really look forward to the completion of this project because aside from helping decongest EDSA, Sales Road and other major thoroughfares, this expressway will help reduce the travel time of our motorists from CAVITEX to Makati and Taguig and vice versa by forty-five minutes", said DPWH Secretary Mark Villar.

At present, CAVITEX C5 Link's operational segment 3A1 from Merville to Taguig caters an average of 12,000 motorists daily, but upon completion of the whole 7.7 - kilometer segment, it will benefit around 50,000 motorists, particularly those coming from Taguig, Makati, Las Pinas, and Pasay.

"Together with CIC, we continue to double our efforts, all the while looking after the safety of the workers to ensure we complete Segment 3A2 by the first quarter of 2022 and Segment 2 by the third quarter, also of next year." added Villar.

127th Malasakit Center...from p1

the challenges faced by low-income patients in getting access to quality healthcare. He lamented that Filipinos living in poor areas often forego medical care or end up financially burdened due to medical expenses.

“Nung wala pa ang Malasakit Center, kailangang pang lumapit ng mga pasyente sa iba’t ibang opisina ng gobyerno para magmakaawa na tulongan sila. Lunes, pipila ‘yan sa city hall para humingi ng tulong kay mayor, Martes sa PhilHealth at Miyerkules sa (Philippine Charity Sweepstakes Office),” began Go.

“Bakit ba natin sila pinapahirapan? Bakit kailangan pa nilang magmakaawa sa gobyerno kung pera naman nila ‘yan? Kaya isinulong ko sa Senado para maging batas ‘to para kahit wala na kami ni Pangulong Rodrigo Duterte ay tuloy-tuloy lang ang programang ito,” he continued.

To address the need for an efficient integrated system for conveniently availing medical assistance, Go principally authored and sponsored the Malasakit Centers Act which the President signed into law in December 2019.

The center is a one-stop shop which streamlines the process of acquiring aid from the relevant agencies, namely PhilHealth, PCSO, the Department of Health, and the Department of Social Welfare and Development. It seeks to reduce a hospital bill to the lowest possible amount by covering various patient services and expenses.

“Isa lang pakiusap ko sa mga susunod na administrasyon, sana ipagpatuloy niyo ang mga programa gaya ng Malasakit Center dahil nakakatulong naman ito sa mga mahihirap. Bihira naman na pupunta sa mga pampublikong ospital ang mga mayayaman. Ang pumupunta dito ang mga mahihirap at walang matakbuhan,” said Go.

The Senator reminded the hospital staff to provide their poor patients with the necessary treatments and medical attention. He especially asked them to properly use government funds to provide sufficient care to those needing tests and medication. He promised to continue looking after the welfare of medical workers and health professionals.

“Bukas ang aking opisina sa lahat ng medical frontliners. Kung may reklamo kayo o may hindi sang-ayon sa inyo, sabihan niyo lang ako at isusumbong natin ‘to kay Pangulong Duterte. Tutulungan ko kayo to the best of my abilities in my capacity bilang inyong committee chair (of health) sa Senado,” reassured Go.

Meanwhile, he reiterated his appeal to unvaccinated Filipinos belonging to priority sectors particularly medical frontliners to get inoculated so they can safely perform their duties. The concerned authorities, he said, have been directed to accelerate all vaccination efforts in order to move on to the next priority groups for inoculation.

“Patuloy po tayong magtiwala at mag-cooperate sa pamahalaan. Kailangan namin ang disiplina ninyo habang patuloy tayong nagbabakuna. So far, so good naman ang overall COVID-19 response natin at rollout ng mga bakuna,” explained Go.

“Pakiusap, magpabakuna na ang pwedeng magpabakuna. Basta pagdumating ito, i-deploy at iturok niyo na agad para makamtan na natin ang ‘population protection’ ngayong taong ito,” he concluded.

Following the ceremony, Go and his team handed out meals, food packs, vitamins, masks and face shields to a total of 239 medical frontliners. They also gave selected recipients new shoes or bicycles while others received computer tablets for their children’s educational needs.

In addition, personnel from the DSWD also provided 131 rank-and-file hospital employees with financial assistance. Similar assistance were likewise extended to 56 indigent patients.

“Naka-admit ako ngayon dahil mahina na ang бага ko. Dati na akong nagka-COVID. Nung Monday, na-admit ako dahil may pneumonia daw ako ulit. Nagdadasal ako na gumaling ako para sa mga anak ko. Nagpapasalamat din ako sa Panginoon na medyo okay naman ang pakiramdam ko ngayon,” said Edna Badiola, 53.

“Humihingi ako ng tumulong kay Senator Bong Go para sa aking maintenance at iba pang gamot. Nagpapasalamat kaming mga pasyente para sa lahat ng ginagawa mo. Makakatulong ang Malasakit Center na ito sa mga walang-wala talaga. Sana ipagpatuloy niyo po ang adhikain niyo para sa mga mahihirap,” she continued.

The Senator also took the opportunity to recognize various officials for their untiring service amid the challenges of the pandemic, including Secretary Michael Lloyd Dino of the Office of the Presidential Assistant for the Visayas, Chief Presidential Legal Counsel Salvador Panelo, and Assistant Secretary Girlie Veloso of the Office of President.

He likewise thanked local officials such as Deputy Speaker and 2nd District Representative Strike Revilla, Governor Juanito Victor Remulla, Vice Governor Ramon Revilla III, Mayor Lani Mercado-Revilla, Vice Mayor Catherine Evaristo, and Chief of Hospital Dr. Ruby Ephraim Rubiano for their support and assistance.

In 2019, Go was declared an adopted son of the CALABARZON region in a manifesto issued by the governors of Cavite, Laguna, Batangas, Rizal and Quezon. They cited his many years of service under President Duterte and “heart for his country” through the various projects he initiated which have benefited millions of Filipinos.

“Wala na kaming mahihiling pa dahil binigay na ng Panginoon ang lahat. Kami ay mga probinsyano lamang, isa akong Batangueño na Bisaya. Ang mga lolo at lola ko ay nag-migrate sa Mindanao mula sa Santo Tomas at Tanauan. Isa akong ordinaryong empleyado na ginawa ninyong senador, kaya ibalik ko sa tao ‘yung serbisyo para sa inyo,” Go previously stated.

It is in line with his commitment to Caviteños that Go supported the funding of various infrastructure projects in Bacoor City. The projects include the construction of slope protection structures along the Zapote River in Barangays Ligas and San Nicolas III; a revetment along the Bacoor River; construction of a multi-purpose building in Brgy. Mambog 3; and concreting of the road at Greenvalley in Brgy. San Nicolas 3, among others. (OSBG)

Mas mabilis at ligtas na transportasyon mula Maynila patungong Laguna, prayoridad ng DOTr

LUNGSOD NG CALAMBA, Laguna (PIA) -- Inaasahang maisakatuparan na ang pagkakaroon ng mas mabilis at ligtas na transportasyon mula Maynila patungong Laguna sa pamamagitan ng Philippine National Railways (PNR) Calamba Project.

Pinangunahan ni Department of Transportation (DOTr) Secretary Arthur Tugade kasama sina Assistant Secretary Goddes Hope Libiran, Undersecretary Timothy John Batan at iba pang mga kawani ng ahensya ang isinagawang inspeksiyon sa PNR Alabang Station at Calamba Station nitong Martes, Hulyo 13 bilang bahagi ng pagsasaayos sa imprastruktura.

Kasabay nito ay inispeksiyon rin ang agricultural land area sa Barangay Banlic na pagtatayuan ng PNR Calamba Depot.

"Ito ang tinatawag na depot kung saan magiging malaking bahagi yan dito sa ginagawang parte ng Railways system sa Calamba, napakahalaga po niyan sapagkat kung ikaw ay babaybay at babyahe ngayon from Calamba papuntang Clark, usually you spent 4 hours but with this system, ang magiging byahe mo dyan 1 hour and 30 minutes, malaking bagay yan," pahayag ni Sec. Tugade.

Aniya, malaki ang maitutulong ng naturang imprastruktura para sa economic growth ng Laguna dahil bukod sa pagkilalang 'Resort Capital of the Philippines' ay naniniwala ang DOTr na marami pang potensyal para sa industrial at socio-tourism opportunities sa lalawigan.

Dumalo rin at nakiisa si Calamba City Mayor Justin Marc Chipeco upang saksihan at pakinggan ang ilan sa mga konkretong plano ng ahensya para sa pagsasaayos ng imprastruktura at ipapatayong PNR Calamba Depot na target makapagbigay ng mas mabilis at ligtas na transportasyon hindi lamang sa lungsod pati na rin sa mga kalapit bayan nito.

Bacoor City Mayor Lani Mercado distributed iodized salt to scholars

The City government of Bacoor distributed iodized salt to Nutrition Scholars last July 9.

The use of iodized salt is a complete law in the validity of Republic Act 8172. According to the Department of Health, iodine deficiency especially in pregnant women causes premature birth, miscarriage, or delivery of a baby with low intellect.

According Mayor Lani Mercado Revilla, " Let's always remember that using iodized salt is an effective and affordable way to fill our iodine requirements to avoid thyroid disorders like goiter. Not only that, iodized salt makes what we cook and eat even more delicious."
